B. Leishman,2021-10-29 First Published in 1966 The Art of Marvell's Poetry presents J B Leishman's appreciation of Andrew Marvell's poems by demonstrating a sensitive understanding of attitudes peculiar to the seventeenth century and to Marvell Leishman calls Marvell an inveterate imitator and experimenter His success depended on originality of combination rather than originality of invention But while such phrases as Musick the Mosaique of the Air Desarts of vast Eternity and a green Thought in a green shade were certainly inspired by others they are distinctively and unquestionably Marvell's own Marvell's poetry is shown to be the work of a man living at a certain moment in history it is poetry which could not have been written at any other time and its affinities to the work of contemporary poets are clearly demonstrated The Art of Marvell's Poetry is a must read for scholars and researchers of English poetry English literature and European literature **The Complete Poetry** Robert Browning,2017-07-31 This carefully crafted ebook The Complete Poetry is formatted for your eReader with a functional and detailed table of contents The Ring and the Book is a long dramatic narrative poem and more specifically a verse novel of 21 000 lines The book tells the story of a murder trial in Rome in 1698 whereby an impoverished nobleman Count Guido Franceschini is found guilty of the murders of his young wife Pompilia Comparini and her parents having suspected his wife was having an affair with a young cleric Giuseppe Caponsacchi Dramatis Personae is a poetry collection The poems are
