**The Coral Reef Aquarium** Ron L. Shimek, 2007-08-31 The number of corals imported into the U S rose 249 percent between 1995 and 1996 an indication the coral reef hobby is booming Concerned hobbyists have begun growing corals domestically so that people can enjoy reef tanks without destroying natural reefs This book combines information on setting up and maintaining a reef as well as ecological concerns Whelks to Whales Rick M. Harbo, 2022-05-28 Newly revised and updated in 2010 with additional photographs and up to date names this full colour field guide to the marine life of coastal British Columbia Alaska Washington Oregon and northern California is perfect for divers boaters and beachcombers It is a ready reference to more than 400 of the most common species the fascinating local sponges jellyfish crabs shrimp barnacles clams snails seals fish whales sea algae and hundreds of other living things that can be observed and identified without being disturbed The book is arranged for quick identification with colour coded sections full colour photographs and comprehensive but concise information on size range habitat and facts of interest about each species A glossary checklist reading list and full index are included **The Veliger** ,1997 **Pacific Reef and Shore** Rick M. Harbo, 2017-05-06 Still compact and the perfect size for travelling Pacific Reef and Shore has been updated with new species up to date scientific information and many brilliant photographs of the more than 300 common plants and animals found in the intertidal zone off the coast of North America from the Aleutian Islands Alaska to Point Conception California Each entry includes a description summary with information on size and habitat and a photo for species verification giving readers an overview of local sea life without weighing them down as they explore the shore The world s oceans contain mysteries that scientists are discovering every day While the depths of the Pacific may seem a world away the intertidal zones are at the fingertips of any diver kayaker or beach stroller curious about the various plants and wildlife that dwell there Lightweight inexpensive and accessible Pacific Reef and Shore is the indispensable reference for any curious visitor to the shore Zoo Biology ,1982 **Freshwater and Marine Aquarium** ,2009 *The Secret Life of Clams* Anthony D. Fredericks, 2014-11-18 Get up close and personal with an amazing creature that has invaded our lexicon as well as our restaurants It breathes with tubes it has no head or brain it feeds through a filter and it is the source of dozens of familiar proverbs happy as a clam Clams it turns out have been worshipped by the Moche people of ancient Peru used as money by the Algonquin Indians and consumed by people for thousands of years Yet The Secret Life of Clams is the first adult trade book to deal exclusively with this gastronomic treat that is more complex than its simple two shells might reveal The Secret Life of Clams features compelling insights captivating biology wry observations and up to the minute natural history that will keep readers engaged and enthralled Written by award winning science author Anthony D Fredericks The Secret Life of Clams includes a comfortable infusion of humor up to date research fascinating individuals scientists and laypeople alike and the awe of a fellow explorer as he guides readers on a journey of wonder and adventure Along with an appreciation for oceanic creatures this is a guidebook for

armchair marine biologists everywhere who seek amazing discoveries in concert with compelling narration
