Blasingame, Justin C. Dickstein, John E. Gomez, 2015-12-11 To be effective a training program must be realistic Firefighters today want to know the realities of what they will face once they are on the job This is why we have adopted The Station Ready Rookie as a required part of every recruit school in our state This excellent book is easy to read and gives new recruits a glimpse beyond the technical aspects of firefighting The authors have done a great job preparing new firefighters to become part of our fire service family Allan Rice Executive Director Alabama Fire College Personnel Standards Commission While fire academies teach the fundamentals and technical skills of firefighting life as a rookie is an area that is mostly overlooked Three fire service veterans wrote The Station Ready Rookie to help new firefighters know and

understand what will be expected of them during their first assignment to a fire station and throughout their probationary period This book is designed to shorten the rookie s learning curve and help the reader become an outstanding new firefighter from day one It is perfect for aspiring firefighters new recruits fire departments and training academies The second edition of The Station Ready Rookie takes into account reader feedback and addresses current topics for today s new and seasoned firefighters It contains an entirely new fourth section as well as new chapters on choosing your city of employmentthe expanding role of the fire departmenthazing within the fire departmentutilizing your chain of commandcreating and seizing opportunitiesthe importance of being involved in your community The Station Ready Rookie Justin Dickstein,Collin Blasingame,John Gomez,2013-02-22 This book was written to help new firefighters know and understand what will be expected of them when they are first assigned to a fire station and throughout their probationary period as well as assist fire departments and training academies effectively prepare their personnel for all aspects of station life This is one of the most exciting and stressful times in a new recruit s life For someone who has always dreamed of or is even just now considering becoming a firefighter this book paints a realistic picture of the expectations a new recruit faces It includes all the details from what to do around the station to some suggestions on how to be more successful at an emergency scene Most rookies have to discover all of this through a painful process of trial and error This book is designed to shorten that learning curve and to help the reader become an outstanding new firefighter from day one Fundamentals of Fire Fighter Skills Jones & Bartlett Publishers,2004 Share fire fighter stories of dreams realized bravery tested and lives saves The Game Renick Sampson,2017-08-30 With over twenty years of experience The Game will prepare you for the many roles and expectations of a rookie firefighter and will explain the different points that are critical to your success during probation After reading The Game you will be ready to start your career with the knowledge of an experienced firefighter in your back pocket Surviving the Firehouse Mauro Porcelli,2018-11-19 Rookie mistakes can ruin anyone s career especially a fireman s Aspiring firefighters prepare for fire college coursework train to improve fitness graduate but draw a blank at the next step Where should they apply to work Should they become a paramedic How do they get along with other firefighters especially those they don t like What should they cook What is expected of them Unfortunately no one takes the rookie aside to explain the previously unwritten guide on how to survive life in the firehouse This book provides the subtle and not so subtle strategies every firefighter needs to succeed in this challenging career It advises the rookie just trying to survive as well as the career veteran who may be considering promotion or other career options Don t make a mistake you will regret Read this book It offers the best guidance and career advice available for firefighters by someone who has been there A must read **Rookie the Book** John Murray,2011-06-01

Eventually, you will unquestionably discover a additional experience and ability by spending more cash. still when? reach you acknowledge that you require to get those every needs taking into account having significantly cash?
