Healthy Eating for Kids Anita Bean, 2009-01-01 This second edition of the bestselling *Healthy Eating for Kids* is packed with essential up-to-date advice on healthy eating, feeding fussy eaters, dealing with an overweight child, and plenty of tips for no-hassle meals, quick snacks, and lunch boxes, including brand-new colour photographs of the recipes. It matters what children eat. The food they eat affects their health now, and it sets them up for the future. Children who enjoy a healthy, varied diet are more likely to be full of energy, feel brighter, and more alert, suffer fewer colds and illnesses, and concentrate better at school. But healthy eating doesn't have to mean boring meals. It's all about making nutritious food appealing and fun for kids, and appearance counts as much as taste. Tested by parents and tasted by children, Anita's recipes will give you new ideas and inspiration on what to feed your kids.

KETO KIDS LUNCH: PARENTS EDITION Eva Iliana, 2020-06-01 A happy child is a happy home life. You're 9 again, living at home, going to school, not giving a second thought about what food goes into your mouth. Will it give me lasting energy? Will it support healthy growth? Who cares? Does it taste good? In comes chips, fruit snacks, and cookies to the rescue. You happily munch on your treats as you sit in front of the television and watch your favorite cartoons. This is all great, the recipe for a temporarily happy child, but what will happen once your blood sugar levels drop or your stomach begins to disagree with what you fed it? Irritability, laziness, mood swings, everything you don't want to witness first-hand in a child. The food you put into your body directly impacts your overall well-being, and it's especially important for children to get the proper nutrition they need in order to grow healthy and strong and to lead active lives. As obesity skyrockets to new heights in U.S. children, and is now one of the leading causes of death, the main culprit is the food eaten: processed sugars and simple carbs. By following a lifestyle that focuses on what our bodies need rather than relying on quick food fixes, you will be paving the way for a truly happy child, and in more than just one way. In *Keto Kids Lunch: Parents Edition*, you will discover the secret to getting your kids to eat healthy, even if they're notorious picky eaters. The blueprint to
