## Roots Of Indifference:

*The Social Production of Indifference* Michael Herzfeld, 1993-10 In this fascinating book Michael Herzfeld argues that modern bureaucratically regulated societies are no more rational or less symbolic than the societies traditionally studied by anthropologists Drawing primarily on the example of modern Greece and utilizing other European materials he suggests that we cannot understand national bureaucracies divorced from local level ideas about chance personal character social relationships and responsibility He points out that both formal regulations and day to day bureaucratic practices rely heavily on the symbols and language of the moral boundaries between insiders and outsiders a ready means of expressing prejudice and of justifying neglect It therefore happens that societies with proud traditions of generous hospitality may paradoxically produce at the official level some of the most calculated indifference one can find anywhere *The Social Production of Indifference* Michael Herzfeld, 2021-01-07 In this fascinating book Michael Herzfeld argues that modern bureaucratically regulated societies are no more rational or less symbolic than the societies traditionally studied by anthropologists Drawing primarily on the example of modern Greece and utilizing other European materials he suggests that we cannot understand national bureaucracies divorced from local level ideas about chance personal character social relationships and responsibility He points out that both formal regulations and day to day bureaucratic practices rely heavily on the symbols and language of the moral boundaries between insiders and outsiders a ready means of expressing prejudice and of justifying neglect It therefore happens that societies with proud traditions of generous hospitality may paradoxically produce at the official level some of the most calculated indifference one can find anywhere *Making Sense of Your World* W. Gary Phillips, William E. Brown, John Stonestreet, 2009-01-01 *Making Sense of Your World* offers a basic accessible introduction to biblical worldview that covers all of these aspects of world view thinking Part One compares the basic worldviews Part Two contrasts and seeks to defend the biblical worldview with the others and Part Three constructs a biblical worldview in four key areas This book is an overview the Christian thinker is invited to continue his or her study through the recommended readings at the end of each chapter an ongoing task Paul labels the renewing of our minds Romans 12:2 *Recapturing Our Homes and Communities* Pasquale De Marco, 2025-05-07 *Recapturing Our Homes and Communities* is a clarion call to action a roadmap for reclaiming our communities and our country from the forces of indifference apathy and ignorance Pasquale De Marco argues that we are facing a crisis of values a loss of faith in our institutions and ourselves This has allowed a small but vocal minority to seize control of the narrative pushing their radical agenda and dividing our country We must not let them succeed We must fight back not with violence or hatred but with the power of ideas and the strength of our convictions *Recapturing Our Homes and Communities* provides a detailed plan for how we can do this It identifies the key challenges we face and offers practical solutions for overcoming them We must reclaim our communities our schools and our media We must hold our leaders accountable and demand that they represent the interests of all Americans not just the special interests We must

rebuild our economy create jobs and ensure that every American has a fair shot at success We must protect our environment our natural resources and our way of life The battle we face is a difficult one but it is not insurmountable If we stand together united in purpose and determination we can overcome any challenge Recapturing Our Homes and Communities is a must read for anyone who cares about the future of our country It is a call to action a reminder that we have the power to make a difference If you like this book write a review on google books

*Subliminal Roots* Jon Yates,2024-01-05 How can one man kill two other men in the same way in different places at the same time What if while investigating something you discovered everything and realised that you knew it all along These two seemingly unrelated questions lead Eddy Pain on a voyage of discovery in the land of Taja a place with a long and complicated history that just won't seem to leave the present alone Eddy is a founding a former militia man and now a legal investigator although strangely he has never investigated where he really came from assuming quite reasonably that he would not like the answer But when the visit of a mysterious woman launches him into the case of two brutal murders the investigation starts to reveal disturbing things to him that he realises he probably already knew Along the way he meets people who all seem to know more about the world and what goes on in it than him or at least think they do A less than politically correct judge a militia captain with a penchant for haute couture a museum curator surrounded by nice items a few task specific gods who are actually just self publicists with a particular skill of some sort and an executioner with job satisfaction issues Eddy's journey through Tajan history and its various dysfunctional institutions leads him to discover that his roots and the roots of the place in which he lives works and occasionally plays are inextricably linked

**The Awakening of Intelligence** J. Krishnamurti,2021-01-05 This comprehensive record of Krishnamurti's teachings is an excellent wide ranging introduction to the great philosopher's thought With among others Jacob Needleman Alain Naude and Swami Venkatasananda Krishnamurti examines such issues as the role of the teacher and tradition the need for awareness of cosmic consciousness the problem of good and evil and traditional Vedanta methods of help for different levels of seekers

**Race and Social Analysis** Caroline Knowles,2003-12-11 This book is well researched and highly accessible It is both a useful and much needed addition to the literature on race and social research Ethnic and Racial Studies The book is well laid out with glossaries of significant new terms and summaries of key points at the end of each chapter extensive notes and a very useful bibliography Knowle's book is a welcome contribution to our understanding and its emphasis on social analysis helps to bridge what sometimes appears to be a widening gap between the academic and policy practitioner communities She provides some significant insights into the inter relationships between everyday race ethnicity making and contemporary political and theoretical understandings Runnymede's Quarterly Bulletin Knowles writes eloquently about how we can challenge and change racist ideas and ideas about race this is an important and enjoyable book which would be valuable to academics or students of any discipline Sociological Research Online In Race and Social Analysis Caroline Knowles combines biographical and spatial analysis to provide an up to date account of the ways race and ethnicity

operate in a global context The author argues that race and ethnicity is intricately woven into the social landscapes in which we live encompassing both the mundane interactions of daily life and the ways in which the contemporary world is organized Through social analysis the book shows the ways in which we all contribute to race making and the forms of social inequality it produces Drawing on the work of other authors in the field and extending it to provide some avenues into conceptualizing and researching race Caroline Knowles examines how race and ethnicity operate in the social world the making of race and ethnicity by the connections between people spaces and places the ways race and ethnicity articulate current analytical themes in social science such as space movement and global networks the ways in which broader structures of racial orders are apparent in everyday lives and the stories people tell about them the ways in which places and spaces are raced and ethnicised the ways in which race is significant in the operation of globalization and global migration the making of whiteness Race and Social Analysis offers a grounded theoretical examination of race ethnicity that draws upon examples in Britain the United States Canada and Australia It offers a unique take on the available literature by adding a missing British account of whiteness

**The European Roots of the Eurozone Crisis** Mario Baldassarri, 2017-10-01 This book examines the Eurozone crisis in light of theoretical and empirical evidence The first half explores specific theoretical contributions within a framework of growth theory models to examine the two major pillars of the European construction the European Central Bank and the Maastricht Treaty and seeks to explain why they are theoretically wrong The second half presents results of counterfactual simulations using the Oxford Econometric model and estimates what the Eurozone has lost in terms of economic and social cost from 2002 to 2014 as a consequence of the super evaluation of the Euro and the Maastricht Treaty parameters being mistakenly fixed and pursued Finally the author supports the urgent need to refund the European Union up dating The Maastricht Treaty and the ECB statute to build three concentric circles the USE United States of Europe the EU European Union the EAFTDA Europe Africa Free Trade and Development Area

**Disability Research Today** Tom Shakespeare, 2015-03-05 Grouped around four central themes illness and impairment disabling processes care and control and communication and representations this collection offers a fresh perspective on disability research showing how theory and data can be brought together in new and exciting ways Disability Research Today starts by showing how engaging with issues around illness and impairment is vital to a multidisciplinary understanding of disability as a social process The second section explores factors that affect disabled people such as homelessness violence and unemployment The third section turns to social care and how disabled people are prevented from living with independence and dignity Finally the last section examines how different imagery and technology impacts our understandings of disability and deafness Showcasing empirical work from a range of countries including Japan Norway Italy Australia India the UK Turkey Finland and Iceland this collection shows how disability studies can be simultaneously sophisticated accessible and policy relevant Disability Research Today is suitable for students and researchers in disability studies sociology social policy social work nursing and health

studies      **Watchwords** Lily Gurton-Wachter, 2016-03-23 This book revisits British Romanticism as a poetics of heightened attention At the turn of the nineteenth century as Britain was on the alert for a possible French invasion attention became a phenomenon of widespread interest one that aligned and distinguished an unusual range of fields including medicine aesthetics theology ethics pedagogy and politics Within this wartime context the Romantic aesthetic tradition appears as a response to a crisis in attention caused by demands on both soldiers and civilians to keep watch Close formal readings of the poetry of Blake Coleridge Cowper Keats Charlotte Smith and Wordsworth in conversation with research into Enlightenment philosophy and political and military discourses suggest the variety of forces competing for or commanding attention in the period This new framework for interpreting Romanticism and its legacy illuminates what turns out to be an ongoing tradition of war literature that rather than give testimony to or represent warfare uses rhythm and verse to experiment with how and what we attend to during times of war      The Expositor (Atthasālinī) Buddhaghosa, 1921      **Crime, Reason and History** Alan Norrie, 2001-10 This work provides a challenging approach to the study of criminal law offering a critical introduction to the law s general principles and in contrast to orthodox criminal law texts emphasizes the tensions and contradictions that lie at their heart      Be Mature in Understanding Ben Midgley, Martin Pakula, Paul F. Morris, 2021-04-21 This book has been written out of a deep concern to see Jewish believers in Yeshua Jesus playing their part in the worldwide church of Messiah using their knowledge of God s word their Jewishness their natural and spiritual gifts and a humble thankful heart Knowledge of the truths of Scripture is a vital key to love for God and fruitfulness in his service and this book focuses on both the Bible s unfolding story biblical theology and its specific doctrines and their interrelationship systematic theology Our aim is to build a biblical framework of thinking in the heart and mind It is written from an evangelical understanding and in a way that interacts with the main forms of Judaism and Christianity It is a study book with questions to answer and further reading suggestions Similar books of doctrine with the same scope have been written but few if any take account of the context of Jewish readers and the issues which are important to them The authors have attempted to achieve this within the context of the whole counsel of God Error sets no one free but truth does the hope of the authors is for readers to be free to love and serve the Lord with all their mind and heart      Year Book Carnegie Institution of Washington, 1919 List of the names of persons engaged in the various activities v 10 p 243 257      **Religion and Revelation after Auschwitz** Balázs M.
