Code to Joy Michael L. Littman,2023-10-03 How we can get more joy from our machines by telling them what our hearts desire In this informative accessible and very funny book Michael L Littman inspires readers to learn how to tell machines what to do for us Rather than give in to the fear that computers will steal our jobs spy on us and control what we buy and whom we vote for we can improve our relationship with them just by learning basic programming skills Our devices will help us Littman writes if we can say what we want in a way they can understand Each chapter of the book focuses on a particular element of what can be said providing examples of how we use similar communication in our daily interactions with people Littman offers ways readers can experiment with these ideas right away using publicly available systems that might also make us more productive as a welcome side effect Each chapter also reflects on how the use of these programming components can be expedited by machine learning With humor and teacherly guidance Code to Joy brings into view a future where programming is like reading something everyone can learn

A Treatise on the Steam-engine in Its Various Applications to Mines, Mills, Steam Navigation, Railways, and Agriculture John Bourne (C. E.),1868 Instructions for Visitors Helen Stevenson,2018-02-27 When living abroad there are two rules to be followed 1 If you are lucky enough to find a place you belong you should never actually live there And 2 Never live with a man you think you could never live without But then what fun would that be In this funny forthright and charming memoir Helen Stevenson chronicles her experiences as a young British expatriate living in the countryside of France With emotional depth and lyrical sensitivity Stevenson introduces readers to the myriad residents of the quaint hamlet known only as le village There s Stefan the Maoist tennis buff who has his own unique way of showing empathy for the masses Gigi the chic Parisian who uses her boutique to dress her ex lovers girlfriends and Luc the cowboy painter and part time dentist who overcoming his aversion to blondes becomes enamored of the Englishwoman who has been warmly embraced by the rural community But her troubled love affair with this local lothario comes to represent the poignant truth she is still somehow an outsider Luc reminds her Le village c est moi and she can never say the same Evoking the languid sensual essence of Mediterranean France Instructions for Visitors is a very personal revelation of the wonders and the difficulties of relocating one s home and one s heart
