Sunquist, 2013-09-15 This comprehensive introduction helps students pastors and mission committees understand contemporary Christian mission historically biblically and theologically Scott Sunquist a respected scholar and teacher of world Christianity recovers missiological thinking from the early church for the twenty first century He traces the mission of the church throughout history in order to address the global church and offers a constructive theology and practice for missionary work today Sunquist views spirituality as the foundation for all mission involvement for mission practice springs from spiritual formation He highlights the Holy Spirit in the work of mission and emphasizes its trinitarian nature Sunquist explores mission from a primarily theological rather than sociological perspective showing that the whole of Christian theology depends on and feeds into mission Throughout the book he presents Christian mission as our participation in the suffering and glory of Jesus Christ for the redemption of the nations *Salvation in the*

Flesh David Tremontozzi, 2018-02-01 David Tremontozzi contends that conservative traditional Christianity has uncritically adopted an intellectualist i e rationally driven view of faith in its understanding and practice of salvation Throughout he maintains that an intellectualist soteriology should be rejected because it prioritizes the rational over other behavioral and affective aspects of faith An intellectualist rendering of salvation is incomplete because human experience is neither abstract nor gnostic it is embodied and experientially relevant An intellectualist soteriology simply cannot account for the dynamic and transforming possibilities of saving grace *Salvation in the Flesh* offers an innovative perspective on the embodied nature of faith and the centrality of the Holy Spirit in the Christian doctrine of salvation Drawing from the cognitive neurosciences and psychology Tremontozzi argues for a holistic awareness of cognition to better inform an embodied understanding of faith In dialogue with the cognitive sciences he appropriates Jonathan Edwards theology of religious affections early church practices and pentecostal spirituality to highlight the soteriological significance of orthodoxy orthopraxy and orthopathy for a renewal soteriology of embodiment In doing so Tremontozzi offers a vision of salvation that more thoroughly accounts for the multifarious ways God s saving grace interacts with human flesh and blood **EXPLAINING THE DOCTRINE OF**

ARE WE SAVED? Stephen Rong,2011-06-01 Today Gospel has been twisted in a broad field Faith in Jesus Christ must be built up on the full revelation

of God However most evangelists do not equip well before ministering They lack the structure of faith of the Scriptures The consequence is that both shepherds and sheep are not walking on the way of truth Actually they are falling away Because of lacking of the foundation of faith based on the full words of God it is not surprised that even popular evangelists deny that Jesus Christ is the only way of salvation Let s tremble before the Word of God and seek Him John 1 1 In the beginning was the Word and the Word was with God and the Word was God Isaiah 66 5 Hear the word of the LORD ye that tremble at his word Your brethren that hated you that cast you out for my name s sake said Let the LORD be glorified but he shall appear to your joy and they shall be ashamed

Salvation As a Mechanical Process Richard E. Davies,2020-02-14 Christians have been taught that Jesus died on the cross to pay a fine or ransom to expiate or atone for our sins Furthermore they have been taught that the death of Jesus is the only way individuals can receive eternal salvation In general this notion is called the doctrine of blood atonement or penal substitution or some similar name One reason for this teaching is that the development of Newtonian mechanics has led us to believe that God s laws of salvation must be as easy to understand as the seventeenth and eighteenth century laws of our physical world This book demonstrates that there are alternatives for understanding Jesus execution that are consistent with the twentieth and twenty first century understanding of our physical world In fact the early Christian writers including the Bible itself described these alternatives Sacrifice was only one form of the early Christian narrative explaining the death of Jesus Although blood atonement was understandable in ancient Roman culture it is not understandable in our culture The inevitable conclusion is that we should abandon blood atonement and develop one of the alternative ways of understanding the cosmic significance of Jesus execution

Understanding the Gift of Salvation Irpeel

Ebenezer,2012-03-01 What exactly did Jesus Christ save us from other than hell fire That was the question a somewhat frustrated friend asked while going through a difficult period in his life Many Christians have asked similar questions or wondered why the Christian life in reality is so different from what is usually professed This book is a true seeker s manual on the Gift of Salvation It is for those who are not satisfied with only doctrines and creeds handed down by parents or pastors It is for those willing to build on what they ve learnt dig deeper and find out the fullness of what God in His mercy gave to mankind in Jesus Christ It not a book to rush or breeze through like the Berean Christians readers are encouraged to carefully study the Scripture references and dig out the truth for themselves The promise of God is You will seek Me and find Me when you seek Me with all your heart

Are You Really Saved? Michael D. LeMay,2014-05-12
