Advanced Manufacturing Technologies and Workforce Development Nancy E. Waldeck,2014-01-14 This study examines the relationship between organizational performance advanced manufacturing technologies and workforce development activities In response to domestic and international competitive pressures manufacturers are making increasing expenditures in both labor and technology Both corporate and government surveys report that billions of dollars a year are spent for worker training and new technology by U S manufacturers Despite these expenditures little empirical evidence exists about the relationship between worker development activities and advanced technologies or the organizational outcomes from their combined use In this study multiple workforce development activities and advanced technology were defined and compared to several types of organizational performance at a variety of manufacturing plants in the Midwest Human resource managers completed surveys that assessed areas of worker development technology environment and technology driven workplace needs Results indicate modest support for the relationship between technology workforce development and organizational performance Strong support however was found for the relationship between relational and skill needs due to changes in technology and the plant emphasis on process and individual worker development This suggest that managerial perceptions regarding workplace changes from technology may be amore important factor than the technology itself in determining the type of workforce development activities provided In addition findings supported the use of multiple workforce development activities

Eventually, you will extremely discover a additional experience and completion by spending more cash. nevertheless when? get you take on that you require to acquire those every needs with having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to understand even more more or less the globe, experience, some places, in imitation of history, amusement, and a lot more?
