

Dear Graduating Class of _____,

What a remarkable year it has been! Just like that, 10 months have come and gone and your elementary school career is finished. It has been a pleasure teaching such hardworking and compassionate students. You have all persevered through the challenges that you faced in math, reading, and writing with grace and made many memories along the way. Your last year in elementary school also meant being a role model for the younger students in the building. I am so proud of the shining examples that this fifth grade class has set for those younger students who are going to eventually follow in your footsteps.

Now, it is time for the next chapter in your life to begin. I hope you all look back on these past six years in elementary school as a wonderful time where you created friendships that will last for years to come and began to really learn about who you are as an individual. Next year in sixth grade might feel like you're starting over, and you might face some tough days, weeks, and months, but just know, you are more than ready. Remember, as Michael Jordan once said, "If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it." It might take some hard work and endurance on your end, but I know you will make it through any challenge that comes your way.

Middle school is the stepping stone to some of the best years of your life. I urge you to pause every once in a while, look around you, and take everything in - your friends, the places, the memories that you're making. I hope you dare to try something new and accept new challenges. Most importantly, I hope you choose to stand apart from the crowd and stand up for what you believe in your heart to be right. I wish you all the best life has to offer. Congratulations on graduating!

Love,
