Polish Bow Tie Recipe:

My Polish-American Mother Frances Lareau,2011-04-11 THE BOX Since I was a child boxes have always intrigued me I had always wondered what type of treasures and memories individuals would place in a box and keep forever My mother had kept everything she had treasured and wanted to keep secret from the world in a particular box I remember when my mom moved in with me she had a box filled with her paper and her stuff that she treasured I watched her place the box methodically under the window by her bed This box stayed there until her death My mom being a secretive person had always intrigued me Several months after her death I realized it was now time to clean her room As I was cleaning her dresser I looked into the mirror and I stared at that box for several minutes The moment I picked up the box I know my journey to learning about our relationship was about to begin
