What Is Enlightenment? Mohammed D. Cherkaoui, 2016-04-11 Political sociology has struggled with predicting the next turn of transformation in the MENA countries after the 2011 Uprisings Arab activists did not articulate explicitly any modalities of their desired system although their slogans ushered to a fully democratic society These unguided Uprisings showcase an open ended freedom to question after Arabs underwent their freedom from struggle from authoritarianism The new conflicts in Egypt Syria Yemen and Libya have fragmented shari'a legitimacy into distinct conceptualizations revolutionary legitimacy electoral legitimacy legitimacy of the street and consensual legitimacy This volume examines whether the Uprisings would introduce a replica of the European Enlightenment or rather stimulate an Arab Islamic awakening with its own cultural specificity and political philosophy By placing Immanuel Kant in Tahrir Square this book adopts a comparative analysis of two enlightenment projects one Arab still under construction with possible progression toward modernity or regression toward neo authoritarianism and one European shaped by the past two centuries Mohammed D Cherkaoui and the contributing authors use a hybrid theoretical framework drawing on three tanwiri

enlightenment philosophers from different eras Ibn Rushd known in the west as Averroes the twelfth century Immanuel Kant the eighteenth century and Mohamed Abed Al Jabri the twentieth century The authors propose a few projections about the outcome of the competition between an Islamocracy vision and what Cherkaoui terms as a Demoslamic vision since it implies the Islamist movements flexibility to reconcile their religious absolutism with the prerequisites of liberal democracy This book also traces the patterns of change which point to a possible Arab Axial Age It ends with the trials of modernity and tradition in Tunisia and an imaginary speech Kant would deliver at the Tunisian Parliament after those vibrant debates of the new constitution in 2014

[A Cinema of Hopelessness](#) Kendall R. Phillips,2021-09-27 This book explores the circulation of anger and hostility in contemporary American culture with particular attention to the fantasy of refusal a dream of rejecting all the structures of the contemporary political and economic system Framing the question of public sentiment through the lens of rhetorical studies this book traces the circulation of symbols that craft public feelings in contemporary popular cinema Analyzing popular twenty first century films as invitations to a particular way of feeling the book delves into the way popular sentiments are circulated and intensified The book examines dystopian films The Purge The Cabin in the Woods science fiction Snowpiercer and superhero narratives the Marvel Cinematic Universe and Joker Across these varied films an affective economy that emphasizes grief betrayal refusal and an underlying rage at the seeming hopelessness of contemporary culture is uncovered These examinations are framed in terms of ongoing political protests ranging from Occupy Wall Street the Tea Party Black Lives Matter and the 6th January 2021 invasion of the US Capitol Building

Rules for Rebels Max Abrahms,2018-09-04 Ever wonder why militant groups behave as they do For instance why did Al Qaeda attack the World Trade Center whereas the African National Congress tried to avoid civilian bloodshed Why does Islamic State brag over social media about its gory attacks while Hezbollah denies responsibility or even apologizes for its carnage This book shows that militant group behaviour depends on the tactical intelligence of the leaders The author has extensively studied the political plights of hundreds of militant groups throughout world history and reveals that successful militant leaders have followed three rules These rules are based on original insights from the fields of political science psychology criminology economics management marketing communication and sociology It turns out there s a science to victory in militant history But even rebels must follow rules

Reconstructing the Civic Amal Jamal,2020-08-01 Reconstructing the Civic examines the civic activism of the homeland Palestinian minority in Israel Employing a multi methodological and empirically rich approach Amal Jamal blends historical description with interviews of Palestinian elites drawn from a diverse range of civil society groups such as NGOs youth movements and religious organizations He also critiques the failure of Western liberal scholarship to account for the experience of minority civil society organizations in illiberal social and political contexts largely because this literature

assumes there is an inherent relationship between civil society and democracy Jamal places an important spotlight on the complex interplay between liberal and illiberal trends in the emergence organization and transformation of Palestinian civil society in Israel as well as the need to introduce an alternative ethical model that aims to reconstruct ethnic states in universal civic terms
