Politics Prophecy & the Supernatural: The Coming Great Deception and the Luciferian End Game Lynn A. Marzulli, 2007-07 One myth from the history of every great civilization spoke of beings descending from heaven and using human and animal DNA to create giant offspring Rabbinical authorities Septuagint translators and early church fathers understood this as a factual record of history The phenomenon began with the Watchers who spawned Nephilim resulting in judgment from God The ancients also knew Bible passages that predict the Nephilim will return when Iraq and Iran are invaded and destroyed Is this prophecy about to be fulfilled Is man in his rush to play god through biological weapons biotechnology and genetic manipulation opening gateways to a supernatural unknown Nephilim Stargates and the Return of the Watchers is a glimpse into this past present and future phenomena with an eye on what sages and scientists believe and what futurists and prophets may fear Thomas Horn is CEO of Raiders News Network a syndicated columnist and the bestselling author of The Ahriman Gate He has written two other books as well as dozens of published editorials and magazine articles His works have been referred to by writers of the LA Times Syndicate MSNBC Christianity Today Coast to Coast World Net Daily and White House Correspondents Thomas resides outside Portland Oregon [Signs of the Coming Messiah in This Generation](#) , **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **Out of the Bottomless Pit** S.N.
