Pompeii Descriptive And Picturesque:

Pompeii; Descriptive and Picturesque W. Butler, 2014-11-25 Originally published in 1886 this work contains information detailing the important discoveries made during the excavation of the lost city of Pompeii It details much of the life and construction of the city from its drainage and streets to its frescoes This is a fascinating work for anyone interested in this wonderful but doomed ancient city Pompeii was an ancient Roman town city near the modern Italian city of Naples It is famed for being one of the ill fated settlements destroyed and buried by the massive eruption of Mount Vesuvius in 79 AD Along with Herculaneum Pompeii is of particular interest and historical importance due to its preservation under the several metres of volcanic ash and pumice protecting it from air and moisture This created a snapshot of a moment in an ancient civilisation that would otherwise have been eroded by time **Pompeii** W. Butler, 1886 **Pompeii Descriptive and Picturesque** W. BUTLER (Writer on Pompeii.), 1886 *Pompeii* W. Butler, 2015-07-28 Excerpt from Pompeii Descriptive and Picturesque Pompeii is supposed to have contained from twenty to thirty thousand inhabitants Of eight gates only three are excavated the Ercolana Marina and Stabiana but further than the gates themselves only the street of tombs before the Porta Ercolana is unburied The tombs give to it a handsome and somewhat more of a monumental appearance than usual The gates uncovered are round arched and plainly built In their simplicity and strength they look much more reasonable and in better taste than the pseudo classic of the Porta Capuana at Naples About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Pompeii, Descriptive and Picturesque* Butler W, 2023-07-18 This book is a fascinating exploration of the ancient city of Pompeii Written in the 19th century it provides a unique perspective on the ruins offering both a descriptive and picturesque account of the city before and after its destruction The author brings to life the people buildings and cultural artifacts that were uncovered during the excavation making this book a must read for anyone interested in the history of ancient Rome or the art of storytelling This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Cruise of the Celtic Around the Mediterranean, 1902** R.
