

Briefly Describe Your Financial Need for this Scholarship

I am in need of financial assistance in order to attend college because I am a low-income student. I am the 1st child to attend the college. Although my parents gave me many supports, I received a limited financial assistance due to low family income. To reduce family burden, I took out student loans to pay for my tuitions. Meanwhile, I am working 19 hours per week on campus to support myself. However, with the increasing tuitions this year, I am facing more challenges on financial need. As a senior in Petroleum Engineering, I wish to spend more time on my major courses because these courses are cores of my major and crucial in my future career. Unfortunately, financial burden may lessen my time on mastering the courses. Therefore, I would greatly appreciate a helping hand so that I can successfully obtain my engineering degree.

Awarding this scholarship will make great contribution to my study in Louisiana State University. This scholarship would allow me to work less and focus more on my studies. Meanwhile, this scholarship will support me to do more on community service and explore my potential in assisting the needs of people. Furthermore, receiving this scholarship will give me more opportunities to attend the conference and expose to newly developed technology. Additionally, awarding this scholarship would further motivate me to pursue academic excellence
