

**School Board President Bill Dwyer's
Huntington High School Graduation Speech - 2009**

It is a good time to look back on all you've accomplished and all the good times you've had along the way, while understanding that your future is full of opportunity waiting for you to grab hold of it and say, "Hey, let's go do something good." So you're celebrating both an ending and a beginning.

The ending, of course, is of your education in our District's schools. You've been taught reading, writing and arithmetic, history, science and foreign languages. You have had the benefit of dedicated and experienced teachers willing to challenge
