Globalisation, Education, and Reform in Brunei Darussalam Le Ha Phan, Asiyah Kumpoh, Keith Wood, Rosmawijah Jawawi, Hardimah Said, 2021-09-13 This book focuses on the intertwined relationships between globalisation nation building education and reform as manifested throughout the modern history of Brunei Darussalam an Islamic monarchy located on the island of Borneo in Southeast Asia It is the first book dedicated to the examination of Brunei s education system schooling teacher education and society in close connection with the national philosophy Melayu Islam Beraja MIB or Malay Islamic Monarchy The authors provide a historical understanding of the country s education and tell Brunei s story of educational reform and change in its own language narratives accounts and unique standpoints Interdisciplinary chapters draw on significant historical and textual sources in three languages namely Arabic English and Malay to contribute to scholarship on education studies international and comparative education and international and development education

**Higher Education Policy in the Philippines and ASEAN Integration** Kolawole Samuel Adeyemo, 2019-09-16 Globalisation has brought a number of regional cooperation collaboration partnership and networking initiatives among different countries The regionalisation of higher education or its initiators have used

different terms to define their objectives For Asian higher education this relationship has extended beyond the broader idea of higher education cooperation for instance to include different networks and agreements within region and outside region on matters related to research student mobility and quality assurance among Asian countries and between Asia and other countries that share a similar vision on education This book examines and analyses the status of education policy in the Philippines and more particularly focuses on the issue of the integration of higher education in the Association of Southeast Asian Nations ASEAN It further examines ASEAN integration policies and what the Philippines could do to underpin these policies The objective is to better understand the problems of global policy in the context of regionalisation harmonisation and integration from both an ASEAN and a Philippine perspective Prospective mechanisms of ASEAN for upgrading the quality of education provision through student mobility staff exchange regional accreditation and articulation are succinctly argued in this book Methodologically various research designs and methods including a literature review as well as an empirical data and secondary data analysis were used ASEAN leaders higher education researchers and policymakers may find the results discussed in this book useful

**Brunei - History, Islam, Society and Contemporary Issues** Ooi Keat Gin, 2015-12-14 Brunei although a relatively small state is disproportionately important on account of its rich resource base In addition in recent years the country has endeavoured to play a greater role in regional affairs especially through ASEAN holding the chair of the organisation in 2013 and also beyond the region fostering diplomatic political economic and educational ties with many nations This book presents much new research and new thinking on a wide range of issues concerning Brunei largely drawn from Bruneian academics Subjects covered include Brunei's rich history the sultanate formerly had much more extensive territories and was a key player in regional affairs the country's economy politics society and ethnicities and resource issues and international relations

Global Education Monitoring Report Global Education Monitoring Report Team, UNESCO, 2024-10-31

(Re)presenting Brunei Darussalam Lian Kwen Fee, Paul J. Carnegie, Noor Hasharina Hassan, 2023-04-06 This thoughtful and wide ranging open access volume explores the forces and issues shaping and defining contemporary identities and everyday life in Brunei Darussalam It is a subject that until now has received comparatively limited attention from mainstream social scientists working on Southeast Asian societies The volume helps remedy that deficit by detailing the ways in which religion gender place ethnicity nation state formation migration and economic activity work their way into and reflect in the lives of ordinary Bruneians In a first of its kind all the lead authors of the chapter contributions are local Bruneian scholars and the editors skilfully bring the study of Brunei into the fold of the sociology of everyday life from multiple disciplinary directions By engaging local scholars to document everyday concerns that matter to them the volume presents a collage of distinct but interrelated case studies that have been previously undocumented or relatively underappreciated These interior portrayals render new angles of vision scale and nuance to our understandings of Brunei often overlooked by mainstream inquiry Each in its own way speaks to how structures and

institutions express themselves through complex processes to influence the lives of inhabitants Academic scholars university students and others interested in the study of contemporary Brunei Darussalam will find this volume an invaluable resource for unravelling its diversity and textures At the same time it hopefully stimulates critical reflection on positionality hierarchies of knowledge production cultural diversity and the ways in which we approach the social science study of Brunei I wish to commend the editors for bringing this volume to fruition It is an important book in the context of Southeast Asian sociology and even more important for the development of our social geographical cultural and historical knowledge of Brunei Victor T King University of Leeds

*The Emerging Technology of Big Data* Heru Susanto, Fang-Yie Leu, Chin Kang Chen, 2019-03-29 Big Data is now highly regarded and accepted as a useful tool to help organizations manage their data and information effectively and efficiently This new volume *The Emerging Technology of Big Data Its Impact as a Tool for ICT Development* looks at the new technology that has emerged to meet the growing need and demand and studies the impact of Big Data in several areas of today's society including social media business process re engineering science e learning higher education business intelligence and green computing In today's modern society information system IS through Big Data contributes to the success of organizations because it provides a solid foundation for increasing both efficiency and productivity Many business organizations and educational institutions realize that compliance with Big Data will affect their prospects for success Everyday the amount of data collected from digital tools grows tremendously As the amount of data increases the use of IS becomes more and more essential The book looks at how large datasets and analytics have slowly crept into the world of education and discusses methods of teaching and learning and the collection of student learning data The final chapter of the book considers the environmental impacts of ICT and emphasizes green ICT awareness as a corporate strategy through information systems The global ICT industry accounts for approximately 2 percent of global carbon dioxide CO<sub>2</sub> emissions and the manufacture shipping and disposal of ICT equipment also contributes environmentally This chapter addresses these issues The information provided here will be valuable information for education professionals businesses faculty scientists and researchers and others

**Research Anthology on Macroeconomics and the**

academicians      **Historical Dictionary of Brunei Darussalam** Jatswan S. Sidhu,2016-12-20 After being a British protectorate for about 96 years since the 1888 Treaty of Protection the modern state of Negara Brunei Darussalam Abode of Peace eventually obtained its independence from Great Britain on 1 January 1984 Run by a royal family that established a kingdom in Brunei some 650 years ago the first sultan Muhammad Shah Alak Betatar was installed in c 1363 Sultan Hassanal Bolkiah the current ruler is the 29th sultan of the lineage and is one of the richest men in the world In spite of being called a mini state Brunei is well known around the world because its population enjoys one of the highest gross national income per capita in the world at an average of US 39 943 2015 a year This third edition of Historical Dictionary of Brunei Darussalam contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Brunei Darussalam      **The Palgrave**

**Handbook of Political Norms in Southeast Asia** Gabriel Facal,Elsa Lafaye de Micheaux,Astrid Norén-Nilsson,2024-06-07 This open access handbook aims to constitute a reference point on political norm dynamics in Southeast Asia by bringing together the array of normative repertoires that frame the possibilities for citizens to participate in set agendas for make decisions in and contest not only electoral and institutional politics but also informal and imaginary political spaces It sheds light on intersecting political and social transformations and their consequences from the vantage point of political norms While chapters lay out and analyse how political norms across Southeast Asia have been shaped in successive historical phases the core of the handbook addresses current dynamics involved in defining and transforming political norms

**Educational Leadership and Asian Culture** Peng Liu,Lei Mee Thien,2023-08-11 Providing a window on educational leadership from an Asian cultural perspective Liu and Thien s edited collection describes how educational leadership is linked with national culture in the context of different Asian countries While much of the scholarship on this topic has been built on Western paradigms this book examines the measurement of school leadership from a diverse lens by taking cultural context into account while examining educational leadership Drawing on cross cultural perspectives the authors investigate the relationship between leadership for learning and societal culture in addition to the relationship between leadership style and culture The text provides a theoretical basis for understanding leadership in the context of Asian countries and offers practical suggestions for identifying effective and culturally sensitive leadership practices in similar cultural contexts An excellent resource for graduate students researchers in comparative education educational practitioners looking to improve their education practices and anyone interested in cultural leadership practices      **Family Demography in Asia** Stuart Gietel-Basten,John Casterline,Minja Kim Choe,2018-11-30 The demographic future of Asia is a global issue As the biggest driver of population growth an understanding of patterns and trends in fertility throughout Asia is critical to understand our shared demographic future This is the first book to comprehensively and systematically analyse fertility across the continent

through the perspective of individuals themselves rather than as a consequence of top down government policies

*Freedom in the World 2016* Freedom House,2016-12-24 Freedom in the World the Freedom House flagship survey whose findings have been published annually since 1972 is the standard setting comparative assessment of global political rights and civil liberties The survey ratings and narrative reports on 195 countries and fifteen territories are used by policymakers the media international corporations civic activists and human rights defenders to monitor trends in democracy and track improvements and setbacks in freedom worldwide The Freedom in the World political rights and civil liberties ratings are determined through a multi layered process of research and evaluation by a team of regional analysts and eminent scholars The analysts used a broad range of sources of information including foreign and domestic news reports academic studies nongovernmental organizations think tanks individual professional contacts and visits to the region in conducting their research The methodology of the survey is derived in large measure from the Universal Declaration of Human Rights and these standards are applied to all countries and territories irrespective of geographical location ethnic or religious composition or level of economic development

*Demographic and Family Transition in Southeast Asia* Wei-Jun Jean Yeung,2022-05-05 This open access book presents the trends and patterns of demographic and family changes from all eleven countries in the region for the past 50 years The rich data are coupled with historical cultural and policy background to facilitate an understanding of the changes that families in Southeast Asia have been going through The book is structured into two parts Part A includes three segments preceded by a briefing on Southeast Asia The first segment focuses on marital and partnership status in the region particularly marriage rates age at marriage incidence of singlehood cohabitation and divorce The second segment focuses on fertility indicators such as fertility rates total age specific adolescent age at childbearing and childlessness The third presents information on household structures in the region by examining household sizes and incidence of one person households single parent families as well as extended and composite households PartB presents indicators of children and youth s well being

*The Military Balance 2022* The International Institute for Strategic Studies (IISS),2022-02-14 Published each year since 1959 The Military Balance is an indispensable reference to the capabilities of armed forces across the globe It is used by academia the media armed forces the private sector and government It is an open source assessment of the military forces and equipment inventories of 171 countries with accompanying defence economics and procurement data Alongside detailed country data The Military Balance assesses important defence issues by region as well as key global trends such as in defence technology and equipment modernisation This analysis is accompanied by full colour graphics including maps and illustrations With extensive explanatory notes and reference information The Military Balance is as straightforward to use as it is extensive The 2022 edition is accompanied by a fullcolour wall chart illustrating security dynamics in the Arctic

*The Military Balance 2023* The International Institute for Strategic Studies (IISS),2023-02-15 The Military Balance has been published annually since 1959 The 2023 edition

provides an open source assessment of the armed forces and equipment inventories of 173 countries with accompanying defence economics data Alongside detailed country data The Military Balance assesses important military issues region by region and includes graphics to illustrate these as well as noteworthy equipment developments Maps this year include a focus on Russia's full scale invasion of Ukraine and select China Russia military cooperation activities The book draws on the range of data carried in the Military Balance online database particularly the procurement features in each regional section The accompanying wallchart explores the military use of outer space an increasingly important element of defence capabilities focusing on China Russia and the United States For those involved in defence and security policymaking analysis and research The Military Balance is an indispensable source

### **Brunei Darussalam's Economic Transition in a**

**Shifting Global Asia** Ahmed M. Khalid, Bruno Jetin, 2025-02-03 This is an Open Access book The international political economy is confronted by a number of overlapping crises These include the climate emergency rapid technological advancement the high volume of globalised trade and financial flows cross border labour movement rising inequality geopolitical tensions and frequent economic crises and natural disasters Many developing countries are going through a period of urgent transformation and transition to adopt new policies to cope with such challenges and achieve and maintain sustainable and inclusive socioeconomic development This path breaking volume explores the issues shaping the response of Brunei Darussalam long dependent on its oil and gas sector to these challenges The discussions presented here are framed by the notion of development in transition a mix of well designed policies driven by timely implementation enforcement and monitoring as well as international cooperation to ensure sustainable development and distribution of benefits on an equitable basis Through fine grained analyses of key economic sectors including natural resources employment patterns financial services global value chains international trade tourism and the role of the public sector the contributors offer a critical assessment of Brunei's policy responses This transitional policy mix is situated in relation to the overarching development strategy called Wawasan Brunei 2035 Brunei Vision 2035 which broadly maps onto the United Nations 2030 Agenda for Sustainable Development Goals Academic scholars university students and others interested in the study of contemporary Brunei and broader questions of economic transition in Asia will find this volume an invaluable resource for a deeper understanding of how development paths and priorities are being managed to meet pressing global and local challenges

Courts and Comparative Law Mads Andenas, Duncan Fairgrieve, 2015-07-30 While the role of comparative law in the courts was previously only an exception foreign sources are now increasingly becoming a source of law in regular use in supreme and constitutional courts There is considerable variation between the practices of courts and the role of comparative law and methods remain controversial In the US the issue has been one of intense public debate and it is still one of the major dividing issues in the discussion about the role of the courts Contributing to the existing discussion of the use of comparative law in the courts this book provides an inclusive coherent and practical analysis of the relevant law and

jurisprudence in comparative law in the courts It examines the consequences for court procedures and the form of judgments as well as how foreign sources are drawn upon in private international law European law administrative law and constitutional law as well as before general courts The book also includes case studies of comparative law used in particular spheres of the law such as tort law and consumer law Written by practising judges and lawyers as well as leading academics this book serves as a central reference point concerning the role of comparative law before the courts

**Corruption and Illegality in Asian Investment Arbitration** Nobumichi Teramura, Luke Nottage, Bruno Jetin, 2024-04-19 This open access book explores Asian approaches towards investment arbitration a transnational procedure to resolve disputes between a foreign investor and a host state setting it in the wider political economy and within domestic law contexts It considers the extent to which significant states in Asia are or could become rule makers rather than rule takers regarding corruption and serious illegality in investor state arbitration Corruption and illegality in international investment are widely condemned in any society but there remains a lack of consensus on the consequences especially in investment arbitration A core issue addressed is whether a foreign investor violating a host state's law should be awarded protection of its investment as per its contract with the host state and or the applicable investment or trade agreement between the home state and the host state Some suggest such protection would be unnecessary as the investor committed a crime in the host state while others attempt to establish an equilibrium between the investor and the host state Others claim to protect investment invoking the sanctity of promises made The book starts with a deep dive into economic and legal issues in corruption and investment arbitration and then explores the situation and issues in major countries in the region in detail It is a useful reference point for lawyers economists investors and government officials who are seeking comprehensive and up to date information on anti bribery rules in Asian investment treaties It is of particular interest to students and researchers in economics finance and law who are undertaking new research relating to the multifaceted impacts of corruption
