Language Education Susan Ballinger,Ruth Fielding,Diane J. Tedick,2024-09-10 This book fills a large gap in our
 understanding of how to prepare teachers for the challenging but increasingly popular task of integrating content and
 language instruction It brings together findings on content based teacher education from Africa Asia Australia Europe and
 North America in order to inform researchers and teacher educators and enable them to play a critical role in the continued
 success of such programs It offers a solid grounding in theories and applications of content based approaches with empirical
 studies investigating teacher identity materials design use of cognitive discourse functions and best practices for teacher
 education Responding to the growing popularity of content based programs and the shortage of qualified teachers for these
 contexts this book promotes teacher researcher collaboration and provides support for trainee teachers in service teachers
 and course leaders **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress.
