The Teleology of the Modern Nation-State Joshua A. Fogel, 2005 Although we may be aware that China and Japan were not nation states until relatively recently we still speak and write about Han dynasty China or Jomon Japan And almost all historians refer to prehistoric China or Japan Thus imposing the national story on the local the authors contend harms the historical record

Ideologies and Attitudes: Modern Political Culture William Theodore Bluhm, 1974 **The State of Germany** John Breuilly, 1992 Until 1870 71 Germany was little more than an idea The nation state formed in 1871 lasted less than 50 years Hitler destroyed the republic founded in 1919 and expanded into non German regions Defeat in 1945 led to territorial loss and partition In 1989 the German Democratic Republic collapsed and was absorbed into the Federal Republic of Germany a year later

The National Science Agenda as a Ritual of Modern Nation-statehood Gili S. Drori, 1997 *Religion, Political Culture, and the Emergence of Early Modern Society* Heinz Schilling, 1992 This volume of essays by Heinz Schilling represents his three main fields of interest in early modern European history The first section of the book entitled Urban Society and Reformation deals with urban society in northern Germany and the Netherlands from the fifteenth to the early nineteenth centuries The author discusses social structure and changes the problems of religion and mentality as well as political culture and thinking The second section confessionalization and Second Reformation treats the paradigm Confessionalization which denotes a fundamental process of social change within Old European society during the second half of the sixteenth and at the beginning of the seventeenth centuries The third section The Netherlands the Pioneer Society of Early Modern Europe deals with the Northern Netherlands as a model for early modern modernization and as a successful republican and bourgeois alternative to the aristocratic Old European society The essays collected in this book were originally written in German and published over the last fifteen years The articles have been revised and the notes have been updated This volume gives a broader English speaking audience the possibility to read Heinz Schilling's research It also provides a concise collection of the author's writings for those readers who are already familiar with his studies Political Culture and National Identity in Russian Ukrainian Relations Mikhail A. Molchanov, 2002 He sees political culture as a key determinant of national identity and emphasizes the critical role it plays as a vehicle of change and development Like culture national identity is a constructed phenomenon a means to organize and structure cultural resources to fit current political and social needs BOOK JACKET *Philippine Democracy Agenda: Democracy & citizenship in Filipino political culture*, 1997 Antropologi i Finland, 1994 **Political Science Thesaurus II** Carl Beck, Thomas McKechnie, Paul Evan Peters, 1979 Updated thesaurus of political science terminology includes references **Comparing Nations** Vaughn F. Bishop, Joseph William Meszaros, 1980 **The Churchman**, 1924 **The Development of the Modern State** Heinz Lubasz, 1967 **The European Anarchy** Erik Holm, 2001 The European Union is a union in name only In reality it is an anarchy because it has no governmental authority As long as it remains unable to move realistically toward high politics it will continue to be a community of only low politics The two key aspects of high politics security and money are analyzed in the European context revealing the hollowness of the common foreign and security policy as well as the fragility of the EMU Any leap into twenty first century high politics for European society will require a completely new conceptualization of political union In particular Holm foresees a potential conflict arising from the role of the USA as the continuing guardian of the European peace and that of the dollar as the dominant international currency The enlargement with twelve more countries makes it imperative to develop a political complement to the European project of economic integration
