Children s literature continues to be one of the most rapidly expanding and exciting of interdisciplinary academic studies of interest to anyone concerned with literature education internationalism childhood or culture in general The second edition of Peter Hunt s bestselling International Companion Encyclopedia of Children s Literature offers comprehensive coverage of the subject across the world with substantial accessible articles by specialists and world ranking experts Almost everything is here from advanced theory to the latest practice from bibliographical research to working with books and children with special needs This edition has been expanded and includes over fifty new articles All of the other articles have been updated substantially revised or rewritten or have revised bibliographies New topics include Postcolonialism Comparative Studies Ancient Texts Contemporary Children s Rhymes and Folklore Contemporary Comics War Horror Series Fiction Film Creative Writing and Crossover literature The international section has been expanded to reflect world events and now includes separate articles on countries such as the Baltic states the Czech and Slovak Republics Iran Korea Mexico and Central America Slovenia and Taiwan **A Necessary Fantasy?** Dudley Jones,Tony Watkins,2021-10-28 This book addresses a

variety of issues through the examination of heroic figures in children s popular literature comics film and television Pony Girls Richard Hoyt,2004-05 Strange doings European jumping horses have died mysteriously Now prime Spanish mustang stallions are being killed all over the West A beautiful young television newswoman is chasing the story and some weirdo is posting obscene clues on the net John Denson Annie Dancer and Willie Sees the Night are retained to find the horse killers Denson prefers logic Annie her computer skills and they share a lively bed The shaman Willie reaches beyond reason He again sends Denson flying into mysterious realms to find the truth Are the animal spirits Denson sees real Has Willie Sees the Night been fighting the shape changing Koonran since the beginning of time Is this the true source of all evil Or is the monster part of us all coursing through our blood Pony Girls is John Denson s wildest adventure **For Horse-Crazy Girls**

Only Christina Wilsdon,2010-09-28 Readers will learn everything from the different breeds of horses to how a horse s body works to the quirky little things that make the horse the best animal ever Illustrations **New York Herald Tribune Books** ,1927 *The Child and the Book* Nicholas Tucker,1990-09-13 This study considers the appeal of popular children s

books from both a psychological and a literary viewpoint It covers a range of reading matter including picture books fairy stories myths and legends comics and books for teenagers and adolescents Horse Crazy Jean O'Malley Halley,2019-07-01 Horse Crazy explores the meaning behind the love between girls and horses Jean O Malley Halley a self professed horse girl contends that this relationship and its cultural signifiers influence the manner in which young girls define their identity when

it comes to gender Halley examines how popular culture including the pony book genre uses horses to encourage conformity to gender norms but also insists that the loving relationship between a girl and a horse fundamentally challenges sexist and mainstream ideas of girlhood Horse Crazy looks at the relationships between girls and horses through the frameworks of Michel Foucault's concepts of normalization and biopower drawing conclusions about the way girls agency is both normalized and resistant to normalization Segments of Halley's own experiences with horses as a young girl as well as experiences from the perspective of other girls are sources for examination Horsey girls as she calls them are girls who find a way to defy the expectations given to them by society thinness obsession with makeup and beauty frailty and gain the possibility of freedom in the process Drawing on Nicole Shukin's uses of animal capital theories Halley also explores the varied treatment of horses themselves as an example of the biopolitical use of nonhuman animals and the manipulation and exploitation of horse life In so doing she engages with common ways we think and feel about animals and with the technologies of speciesism
