Adams State University Wall, Smith, Bateman, and Associates, 2017 *Adams State University* Wall, Smith, Bateman, 2017 Improving Research-Based Knowledge of College Promise Programs Laura W. Perna, Edward J. Smith, 2020-03-20 Also known as free tuition and free college programs college promise programs are an emerging approach for increasing higher education attainment of people in particular places To maximize the effectiveness of their efforts and investments program leaders and policymakers need research based evidence to inform program design implementation and evaluation With the goal of addressing this knowledge need this volume presents a collection of research studies that examine several categories and variations of college promise programs These theoretically grounded empirical investigations use varied data sources and analytic techniques to examine the effects of college promise programs that have different design features and operate in different places Individually and collectively the results of these studies have implications for the design and implementation of promise programs if these programs are to create meaningful improvements in attainment for people from underserved groups The authors efforts also provide a useful foundation for the next generation of college promise research Handbook of Teaching with Technology in Management, Leadership, and Business Stuart Allen, Kim Gower, Danielle K. Allen, 2020-09-25 Ever evolving technological innovation creates both opportunities and challenges for educators aiming to achieve meaningful and effective learning in the classroom and to equip students with a well honed set of technology skills as they enter the professional world The Handbook of Teaching with Technology in Management Leadership and Business is written by experienced instructors using technology in novel and impactful ways in their undergraduate and graduate courses as well as researchers reporting and reflecting on studies and literature that can guide them on the how and why of teaching with technology *Contemporary Sport Management 6th Edition* Pedersen, Paul M., Thibault, Lucie, 2019 Thoroughly updated Contemporary Sport Management Sixth Edition offers a complete and contemporary overview of the field It addresses the professional component topical areas that must be mastered for COSMA accreditation and it comes with an array of ancillaries that make instruction organized and easy *Understanding Community Colleges* John S. Levin, Susan T. Kater, 2018-03-21 Understanding Community Colleges provides a critical examination of contemporary issues and practices and policy of community colleges This contributed volume brings together highly respected scholars as well as new scholars for a comprehensive analysis of the community college landscape including management and governance finance student demographics and development teaching and learning policy faculty and workforce development At the end of each chapter the Questions for Discussion section helps to bridge the gap between research and practice Written for students enrolled in higher education and community college graduate programs as well as social sciences scholars this provocative new edition covers the latest developments in the field including trends in enrollment developmental education student services funding and shared governance **The Poems of Optatian** Linda

Jones Hall,2024-01-11 For the first time the poems and accompanying letters of Publilius Optatianus Porfyrius Optatian are published here with a translation and detailed commentary along with a full introduction to Optatian s work during this period Optatian was sent into exile by Constantine sometime after the Emperor s ascent to power in Rome in 312 AD Hoping to receive pardon Optatian sent a gift of probably twenty design poems to Constantine around the time of the ruler s twentieth anniversary 325 326 AD To enable the reader to experience the multiple messages of the poems the Latin text is presented near the English translation with any related design close by Some poems laid out on a grid of up to 35 letters across and down have an interwoven poem marking key letters in the primary poem thereby revealing a highlighted image Some designs include the Chi Rho or numerals created from V s and X s to mark imperial anniversaries Other previously unrecognised designs seem to represent senatorial imperial military or bureaucratic motifs or to derive from coin images Shape poems representing a water organ an altar and a panpipe reveal their relevance immediately The introduction and commentary elucidate literary allusions from over 100 authors lines from Vergil Ovid Lucan Silius Italicus Statius and lesser known writers abound and mythological references mostly to the Muses and Apollo Optatian s prestige as an official in both Greece and Rome is well attested these poems mark Optatian as a fascinating writer of his time holding onto the classical past while acknowledging Christian symbolism

Theater as Data Miguel Escobar Varela,2021-08-02 In Theater as Data Miguel Escobar Varela explores the use of computational methods and digital data in theater research He considers the implications of these new approaches and explains the roles that statistics and visualizations play Reflecting on recent debates in the humanities the author suggests that there are two ways of using data both of which have a place in theater research Data driven methods are closer to the pursuit of verifiable results common in the sciences and data assisted methods are closer to the interpretive traditions of the humanities The book surveys four major areas within theater scholarship texts not only playscripts but also theater reviews and program booklets relationships both the links between fictional characters and the collaborative networks of artists and producers motion the movement of performers and objects on stage and locations the coordinates of performance events venues and touring circuits Theater as Data examines important contributions to theater studies from similar computational research including in classical French drama collaboration networks in Australian theater contemporary Portuguese choreography and global productions of Ibsen This overview is complemented by short descriptions of the author s own work in the computational analysis of theater practices in Singapore and Indonesia The author ends by considering the future of computational theater research underlining the importance of open data and digital sustainability practices and encouraging readers to consider the benefits of learning to code A web companion offers illustrative data programming tutorials and videos

The School of Hillah and the Formation of Twelver Shi'i Islamic Tradition Aun Hasan Ali,2023-06-15 Against the background of long standing narratives in which Twelver Shi ism is viewed as fundamentally authoritarian The School of Hillah and the Formation of

Twelver Shi i Islamic Tradition builds upon recent scholarship in the fields of Religious Studies Anthropology and History to argue that Twelver Shi ism is better understood as a discursive tradition At a conceptual level this solves the basic problem of how to integrate the extraordinary diversity of Twelver Shi ism across time and space into a single historical category without engaging in a normative assessment of its underlying essence Furthermore in light of this conception of tradition the School of Hillah stands out as a seminal period in the archive of Twelver Shi ism though it has seldom been recognized as such in European language scholarship Insofar as it gave birth to a conversation that would prove capable of encompassing the dynamism of Twelver Shi ism the School of Hillah should be considered the formative period of Twelver Shi i tradition Moreover when the tradition is conceptualized in this manner it is a bulwark against the very authoritarianism by which Twelver Shi ism has been characterized for so long

Handbook of Research on Educational Technology Integration and Active Learning Keengwe, Jared,2015-05-31 As today s teachers prepare to instruct a new generation of students the question is no longer whether technology should be integrated into the classroom but only how Forced to combat shorter attention spans and an excess of stimuli teachers sometimes see technology as a threat rather than a potential enhancement to traditional teaching methods The Handbook of Research on Educational Technology Integration and Active Learning explores the need for new professional development opportunities for teachers and educators as they utilize emerging technologies to enhance the learning experience Highlighting the advancements of ubiquitous computing authentic learning and student centered instruction this book is an essential reference source for educators academics students researchers and librarians

exercises both in person and online Enjoy reading about teaching strategies and educational concepts Whether used as a resource for new and seasoned faculty a guide for teaching assistants or a tool to facilitate faculty development this research based book is highly regarded across all institutional types *The Role of Civil Society in Transitional Justice* Selbi Durdiyeva, 2023-09-01 This book examines how civil society engages with transitional justice in Russia demonstrating a broad range of roles civil society can undertake while operating in a restrictive political context Based on sociolegal research the study focuses on three types of civil society groups dealing with the legacies of the Soviet repression in Russia a prominent organisation that works on recovering historical truth the International Memorial a parish of the Orthodox Church of Russia operating at a former mass execution and mass burial site the Church at Butovo and contentious groups that could hinder attempts at reckoning and promote state narratives built on the Stalinist and WWII victory myths This book explores an often overlooked case of Russia's transitional justice from below It provides insights into how even in authoritarian contexts civil society can adopt imaginative piecemeal and at times unconventional ways of seeking justice outside and in the absence of official and institutionalised transitional justice measures This book will appeal to scholars of transitional justice memory studies human rights and democratic and civil society theory as well as policymakers and practitioners in these fields and others with interests in Russian and post Soviet studies *Advancing the Science of Implementation across the Cancer Continuum* David A. Chambers, Cynthia A. Vinson, Wynne E. Norton, 2018-10-03 *Advancing the Science of Implementation across the Cancer Continuum* provides an overview of the science of implementation and how it can improve the delivery of evidence based cancer prevention control and care Chapters explore the field of Dissemination Implementation D I research and its application to practice a broad synthesis of relevant research and case studies illustrating each topic area and emerging issues at the intersection of research and practice in cancer Both comprehensive and accessible this book is an ideal resource for researchers clinical and public health practitioners medical and public health students and health policymakers **Cultures of Work, the Neoliberal Environment and Music in Higher Education** Sally Macarthur, Julia Szuster, Paul Watt, 2024-03-29 This edited book considers the impact of neoliberalism on music teaching research and scholarship in a higher education context As a subject that bears little resemblance to other university practical disciplines and fares poorly in a model driven by economics the book considers whether musicology is a public good or a threatened species It contemplates what musicology can usefully contribute to a paradigm driven by economics and questions whether it is ever possible to recover an ideal civil subject in neoliberal music academia Contributions investigate what it means to build music research capacity in innovative ways such as forging cross cultural relationships subverting conventional notions of quality and value replacing them with knowledges and values that guide Indigenous intellectual traditions and whether interventions into the legacy of colonialism are truly ever possible in neoliberal higher education institutions that celebrate difference and diversity while reinforcing social inequities The book also explores the relationships between gender and music

music research training and scholarship and whether the interdisciplinarity championed by the university is ever workable Finally it undertakes a cross disciplinary new materialist reading of a canonical musical work offering a radically new perspective The book will appeal to students and scholars of music education musicology higher education studies and the creative arts more broadly *Qualitative Inquiry and the Politics of Research* Norman K Denzin, Michael D

Giardina, 2016-07-01 This volume of plenary addresses and other key presentations from the 2014 International Congress of Qualitative Inquiry highlights the politics of research in the neoliberal state and the role of qualitative researchers in that debate Marginalized by an increasingly top down assessment driven university system the fifteen contributors from a variety of disciplines show the responses of qualitative scholars in their research writing advocacy and teaching both inside the university and in the broader society Sponsored by the International Congress of Qualitative Inquiry **Promoting Social Justice through the Scholarship of Teaching and Learning** Delores D. Liston, Regina Rahimi, 2017-10-02 How can education become a transformative experience for all learners and teachers The contributors to this volume contend that the Scholarship of Teaching and Learning SoTL can provide a strong foundation for the role of education in promoting social justice The collection features contributions by an array of educators and scholars highlighting the various ways that learners and teachers can prepare for and engage with social justice concerns The essays offer reflections on the value of SoTL in relation to educational ethics marginalized groups community service and activism counter narratives and a range of classroom practices Although the contributors work in a variety of disciplines and employ different theoretical frameworks they are united by the conviction that education should improve our lives by promoting equity and social justice

of the difficulties experienced by many advanced industrial democracies in the face of globalization technology and mass immigration Granville brings trenchant criticism to bear in this wide ranging survey of the political economy of contemporary France building her case for the prosecution on the self reinforcing rigidity produced by a narrow Parisian oligarchy that is both entitled and intellectually hidebound What Ails France applies an economist's vision to the monetary and fiscal pathologies flowing from this ideologically motivated technocratic rule reflected in Europe's flawed monetary union runaway indebtedness and chronically high structural unemployment The author marshals academic research from a wide range of disciplines to fuel a provocative and at times contentious analysis proposing various treatments for French ailments that would reinvigorate the republican value of liberty with a new local slant A refreshing ideologically freewheeling discussion What Ails France provides a positive take on the innovations of our digital age exploring their potential to bring about a more representative democracy and a fairer society *Venoms, Animal and Microbial Toxins, Volume II* Jean-Marc Sabatier,Herve Kovacic,Delavar Shahbazzadeh,Jing-Lin Wang,Zhijian Cao,Patrick Michael McNutt,Heike Wulff,Yuri N. Utkin,2022-09-29
