Schoolgirls, Money and Rebellion in Japan Sharon Kinsella, 2013-11-07 Japanese society in the 1990s and 2000s produced a range of complicated material about sexualized schoolgirls and few topics have caught the imagination of western observers so powerfully While young Japanese girls had previously been portrayed as demure and obedient in training to become the obedient wife and prudent mother in recent years less than demure young women have become central to urban mythology and the content of culture The cultic fascination with the figure of a deviant school girl which has some of its earliest roots in the nineteenth and early twentieth centuries likewise re-emerged and proliferated in fascinating and timely ways in the 1990s and 2000s Through exploring the history and politics underlying the cult of girls in contemporary Japanese media and culture this book presents a striking picture of contemporary Japanese society from the 1990s to the start of the 2010s At its core is an in depth case study of the media delight and panic surrounding delinquent prostitute schoolgirls Sharon Kinsella traces this social panic back to male anxieties relating to gender equality and female emancipation in Japan In each chapter in turn the book reveals the conflicted nostalgic pornographic and at times distinctly racialized manner in which largely male sentiments about this transformation of gender relations have been expressed The book simultaneously explores the stylistic and flamboyant manner in which young women have reacted to the weight of an obsessive and accusatory male media gaze Covering the often controversial subjects of compensated dating enjokosai the role of porn and lifestyle magazines the historical sources and politicized social meanings of the schoolgirl and the racialization of fashionable girls *Schoolgirls Money Rebellion in Japan* will be invaluable to students and scholars of Japanese culture and society sociology anthropology gender and women's studies

Girl' to Boys' School Swap Tales 2 Glynis Dunnit, 2014-12-22 Boy bully seeking order discipline sent to co-ed liberal school finds a unit within it where rules are rigidly enforced commits to join them finds her place as a well disciplined schoolgirl Much fun is had by the boys at her expense Grown up girls subvert a boys school take it over force hated boy cousin into a the girlie role mapped out for the ringleader recreate the school games of their youth Ineffectual patronising young Schoolmaster puts down a young girl's acting she has her revenge through hypnosis to first feminise the class bully then takes his place and has him take her's and then puts both of them through some very salutary humiliation and punishments to make the change permanent Headmistress forced to employ a schoolmaster by the Chairwoman of the Governors when she'd have preferred

all her teachers to be women the gels oblige and feminise then cane him leading to some very interesting and penetrating liaisons amongst the pupils and staff **The Other Heaven Can Wait** Gerti Baldwin,2022-06-15 Gerti Baldwin s story is one of childhood poverty in a decrepit Viennese slum during the war years to a life interspersed with family entanglements separation happier times with foster parents and her determination to succeed Torn between her father and mother in all her heartache and disappointment she learns the truth about them and the hardships her mother and her siblings had to endure Despite a serious heart defect she finds ways to cope turning her attention to sport especially judo joining a club and entering championships In between Gerti is stalked and threatened with murder but eventually finds peace and tranquillity making her home in Wales where she works as a social worker until retirement *Counting Girls Out* Valerie Walkerdine,2012-10-12 The question about girls attainment in mathematics is met with every kind of myth false evidence and theorizing about the gendered body and the gendered mind The Girls and Mathematics Unit led by Valerie Walkerdine has over a period of ten years carried out a detailed theoretical and empirical investigation in this area The book tackles issues and prejudice and examines and puts into perspective many claims that have been made about women s minds It also probes the relationship between evidence and explanation why are girls still taken to be lacking when they perform well but boys are credited even when they do not **IT'S JUST LIFE! WHY GET YOUR KNICKERS IN A TWIST?** Lennie George Abraham,2024-11-09 This book is not an intellectual book Nor is it thought provoking It is meant to be a hoot It has no plot no love story no crime no conspiracy It is stark in its simplicity In as much as I mean for it to transport the readers like a time machine back into the fifties and sixties I hope it will also help to prove the theory that a Malayalee can be found anywhere on Earth even on the edges of the forests of a little known place called Perlis in Malaya This book is about the everyday affairs in the mundane life of an ordinary person narrated in an ordinary way The subtle humour I ve tried to weave into every situation should bring a smile to your face otherwise my purpose is lost As you turn the pages you re bound to find that however modest you thought life might be there are pitfalls and traps strewn your way If you can bring all these elements together season it with some entertainment and wit for it is that final component that sets apart the ordinary from the fascinating then my darlings consider yourselves lucky for you ve lived a brilliant life This book is testimony to that Reagan: What Girls Want Charlie B,2023-07-25 Meet Reagan He s just a randy cab driver a regular guy who leads a regular life Trouble is girls just see him and want him He s a one man girl magnet and he can t say no to their advances There are some men who scoop up women without even trying They have a natural devil may care attitude that allows life s problems to swerve around them without touching them directly Trouble is life s problems have a habit of finding them out Please Will Someone Help Me? Girl Trouble Professor Carol Dyhouse,2014-06-12 A brilliant cultural history Irish Examiner Girls behave badly If they re not obscenity shouting pint swigging ladettes they re narcissistic living dolls floating around in a cloud of self obsession far too busy twerking to care And this is news In this witty and wonderful book Carol Dyhouse shows that where there s a social scandal or a wave of moral outrage you can bet a girl is to blame Whether it be stories of brazen flappers staying out and up all night in the 1920s inappropriate places for Mars bars in the 1960s or Courtney Love s mere existence in the 1990s bad girls have been a mass media staple for more than a century And yet despite the continued obsession with their perceived faults and blatant disobedience girls are infinitely better off today than they were a century ago This is the story of the challenges and opportunities faced by young women growing up in the swirl of the twentieth century and the pop hysteria that continues to accompany their progress

One Day in April - A Hillsborough Story Jenni Hicks, 2022-04-08 It is a privilege to know her Jordan Henderson Pathos laced memoirs on every page Steve Rotherham A truly absorbing and moving read Sue Johnston On the morning of Saturday 15 April 1989 Jenni Hicks her husband and their two teenage daughters Sarah and Vicki went to watch a football match That was to be their last day as a family Sarah and Vicki didn't come home and Jenni's world was changed forever Since that fateful day Jenni has tirelessly campaigned for justice for her own and others families But this is not the story of the Hillsborough tragedy This is a story of what came before and after that day of a mother's love her unimaginable bravery a flame of hope that never died and a quest for justice that has lasted three decades It is a journey that has taken her from Allerton Cemetery to the Courts of Appeal from the depths of despair to meetings with Prime Ministers and royalty With the final court cases coming to a conclusion in spring 2021 Jenni's role as the longest serving committee member of the Hillsborough Family Support Group is coming to an end and she can finally give herself permission to grieve solely as a mother rather than as a campaigner One Day In April is the first time that Jenni has spoken about her story in full and is a unique and poignant tribute to the lives that Sarah and Vicki lost and the final word from the extraordinary mother they left behind Her tenacity and courage is astonishing Prof Phil Scruton Utterly gripping Jimmy McGovern Her strength is inspiring Simon Rimmer Quite remarkable
