Pamphlets on Christian Science ,1909 **Science and health** Mary Baker Glover Eddy,1962 *Science and Health with Key to the Scriptures* 1889 Mary Baker Eddy,2016-06-06 The 48th Edition 1889 presented here is historically significant as the year of its publication marks a turning point in the development of the Church of Christ Scientist 1889 is the year in which Mary Baker Eddy closed the Massachusetts Metaphysical College dissolved the church as a corporate structure and moved away from Boston to the quiet Concord where she devoted herself for the next two years to a major revision of the textbook on Christian Science that became the 50th Edition published in 1891 With this step completed she reorganized the church on an incorporeal bases based on a deed of trust and governed from 1895 on by the by laws of its Church Manual the Manual of the Mother Church which she is the author of The 48th Edition marks the beginning of this turning transition I personally find the 48th Edition interesting and glad to be sharing it for its revolutionary concepts that mark the beginning of the great transition Referring to the earlier now historic editions of Science and Health with Key to the Scriptures Mary Baker Eddy counsels do not attempt to dispose of the earlier editions Fortunate is he who has all former revisions together with the original edition of 1875 They are indicators of successive stages of growth in Christian Science Keep them all they will prove a treasure trove Let the new modern volume be studied in connection with earlier editions The very contrasts help to see how the thoughts have risen only as we have been able to receive them It is simply because the advancing thought or demonstration of Christian Students has ascended to that plane which makes it both possible and practicable for us to have the new modern Work MARY BAKER G EDDY from the Christian Science Journal April 1891 This reprint edition has been prepared with great effort in a project to make the earlier editions which have largely disappeared from the landscape accessible again and this not only in printed form but also in PDF form that is electronically searchable and selectively printable During the editorial process I as editor of the printed format have taken the liberty to include a number of subheadings into the Table of Contents shown in brackets that I find of personal interest and have included for this reason to share my interest Please note it is an enormously tedious task to recompile a printed historic book with historic terminology

and spelling While great care has been taken to verify the electronically scanned and converted text for accuracy some typographical errors may have made it past the guard If so please excuse the oversight The 48th Edition 1889 presented here is historically significant as the year of its publication marks a turning point in the development of the Church of Christ Scientist 1889 is the year in which Mary Baker Eddy closed the Massachusetts Metaphysical College dissolved the church as a corporate structure and moved away from Boston to the quiet Concord where she devoted herself for the next two years to a major revision of the textbook on Christian Science that became the 50th Edition published in 1891 With this step completed she reorganized the church on an incorporeal bases based on a deed of trust and governed from 1895 on by the by laws of its Church Manual the Manual of the Mother Church which she is the author of The 48th Edition marks the beginning of this turning transition I personally find the 48th Edition interesting and glad to be sharing it for its revolutionary concepts that mark the beginning of the great transition Rolf A F Witzsche **Science and Health with Key to the Scriptures** Mary Baker Eddy,1912 **The Christian Science Journal** ,1919 **Christian Science Sentinel** ,1913 **Science and Health, With Key to the Scriptures; Volume 1** Mary Baker Eddy,2022-10-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
