

Science Project Outline: Research Paper

I. Title Page

The title page should include the title of your paper, your name, and maybe a picture. See the other side of this sheet for an example.

II. Introduction Paragraph

1. An introduction to your general topic (4-5 sentences). Use our recipe for introductions: define your topic, provide a little background information (real general, everyday-knowledge-type info. about your topic), answer the question. Remember, the question is your question!

III. Content (the body)

1. In this section, make sure you provide background information necessary to understand your topic. This section should be at least two pages long, and should be very detailed and descriptive. Remember, your main goal is to provide a detailed answer to your question.

-Do not copy information word for word from a book or the internet-you should rewrite the information using your own words.

-Be sure to organize your information logically, and arrange it into paragraphs for easy reading.

2. The body should also include a paragraph or two about one scientist's contribution to the field of science you're discussing. Please include any discoveries, theories, or other contributions the scientist made/is making in his/her career.

IV. Conclusion Paragraph

1. Include a brief summary of the major points you've made in your paper. Be sure the answer to your question is included here (3-5 sentences).

2. Also include a personal comment. This might be any insight, advice, or opinions you have to share about your topic after researching it (2-3 sentences).

V. Works Cited List

Specific instructions for your bibliography will be provided on an additional handout.

VI. Additional Paper Requirements

-Your paper must be between 2 $\frac{1}{2}$ and 5 pages long (NOT including the title page and works cited page).

-Your paper must be typed, double-spaced, in 12 pt. font, with 1 $\frac{1}{2}$ inch margins.

-Be sure to include a title page and works cited page with at least five sources.

-Your paper must contain very few spelling or grammatical errors. Be sure to proofread and spell check it carefully!

Science Fair Paper Sample

Joyce Henderson, Heather Tomasello

Science Fair Paper Sample:

Science Fair Projects for Elementary Schools Patricia Hachten Wee, 1998-11-05 Science Fair Projects for Elementary Schools offers step by step instructions for a hands on learning experience for children in grades 2-5 who are doing science fair projects Curiosity Bug a friendly companion guides the student through every step of a science fair project finding and researching a topic developing a controlled experiment making graphs and designing a display Curiosity Bug's sample project provides the child with a detailed example and worksheets allow the child to work comfortably with his or her own data Subsequent chapters include two sample projects in each field of science animals and insects plants chemistry the environment and microscopes These are perfect starter projects presented in cookbook style with complete instructions and resources The child can choose one follow the procedures given and plug in his or her data and results Science Fair Projects for Elementary Schools also provides examples of graphs ideas for display and opportunities for further research Each chapter also includes ten other project ideas and a list of related children's books A final section provides parents teachers and librarians with sample letters forms and layouts to facilitate setting up a science fair This book is sure to spark any student's interest in the intriguing absorbing world of science
