Oracle Health Insurance - Documentation Library

Oracle Health Insurance is a suite of applications that automate the core back office processes for healthcare payers.

Oracle Health Insurance documentation offers a documentation library per release of each application. Each library holds multiple guides, each guide targeted at a specific audience.

This is the documentation library for Oracle Health Insurance Enterprise Policy Administration.

Oracle Health Insurance (Enterprise Policy Administration) manages member contracts, tracks (retro-active) changes to member enrollment and uses that information to calculate the appropriate premium rates, both for individual and group policies.
