Why is it important to fulfill our obligations as citizens?	Citizens cannot meet their obligations to the government, they are making the United States a better and freer place to live. By following the law and not committing crimes, communities are less dangerous places. By paying taxes, citizens are making sure that the government can afford to provide services that benefit the general public. By abiding by the laws of justice for the rich and poor are making sure that there will be no discrimination against people who are poor or black or brown. Citizens are making sure that the right to a fair trial goes to everyone.
Why is it important to consent to the various compromises in our constitution?	Consent means we agree to give up some rights to get other rights. If we don't consent, we won't have a country. We would all live in chaos. We would all be afraid. We would all be alone. We would all be dead.
