Orange County Fcat Scores 2014

**Orange County (Fla.). Office of the
County Comptroller**

Orange County Fcat Scores 2014:

Code of Laws Orange County (Fla.), Orange County (Fla.). Board of County Commissioners, Municipal Code Corporation (Tallahassee, Fla.), 1964 Map of Orange County, Florida Orange County (Fla.). County Commissioners, 1890 **Orange County** Orange County Schools (Orange County, Calif.), 1958 Is There Something Else Wrong with the FCAT? Terry Froman, 2007 Because 3rd Grade Florida Comprehensive Assessment Test FCAT scores have a direct impact on promotion the results for that grade level are released early by the State When the FCAT results for 3rd Grade were released in May 2007 many people were troubled Over 80% of the elementary schools in the Miami Dade School District showed a decrease in the percentage of students scoring in Levels 3 and above in Reading Similar trends produced an outcry across the state After an 8 percentage point jump in the previous year there was a statewide drop of 6 percentage points in 2007 These results were more than surprising and cast doubt on the soundness of the scoring process After a careful review the Education Commissioner announced that there did appear to be a problem in the scoring of the test and a rescaling of the 3rd Grade FCAT reading exam would be forthcoming This admission by the State while honorable and praiseworthy opened the door for many to question other aspects of the FCAT test sometimes without just cause While it is clearly unfair to discount the overall precision and usefulness of the FCAT some form of careful review of scores is nonetheless proper The search for the same kind of irregular trends in the data that brought this type of problem to the surface is always warranted and should be welcomed Any abnormalities revealed in the examination of the scores need to be made public so that the need for in depth analysis can be considered It is in that spirit that this paper presents some unusual patterns in the data for FCAT Reading at the middle school level Financial Information for Orange County, N.C., Schools Donald Bales Hayman, 1958

Predicting FCAT Science Scores 2006-07. Research Brief Terry Froman, Vilma Rubiera, 2006 Although students have been taking the Florida Comprehensive Assessment Test FCAT Science test for a few years the State has only recently set the achievement level standards for the Science test Science will be included in the school grade calculations for the first time in 2006 07 In addition although no official guidelines exist presently the FCAT Science scores will also be incorporated in the Adequate Yearly Progress requirements in the near future With the growing importance of the FCAT Science test it becomes increasingly desirable to have some way of predicting the performance of students In other FCAT testing areas prediction formulas and cutoff scores for success have been developed by this office and made available to schools for several years However because the FCAT Science test is relatively new and because it is administered in only Grades 5 8 and 11 prediction for this test must proceed along different lines This paper presents the results of an analysis directed toward predicting students Science scores based on their performance on the FCAT Mathematics test of the previous year **Report to the Voters of Orange County** Orange County (Fla.). Charter Review Commission, 1988 *Orange County, Florida Comprehensive Annual Financial Report for the Fiscal Year Ended September 30 ...* Orange County (Fla.). Office of the
