Unwilling Executioner Andrew Pepper, 2016 Unwilling Executioner is the first book to examine the deep rooted relationship between the development of crime fiction as a genre and the consolidation of the modern state. It offers a far reaching and wide ranging perspective on this unfolding relationship over a three hundred year period but is not a straightforward and conventional narrative history of the genre. It is part of a new and exciting critical move to read crime fiction as a transnational phenomenon and to examine crime novelists in an innovative comparative context taking them out of their discreet national traditions. Considers Anglo American crime writing as well as works published in France Italy Germany Ireland Japan South Africa and elsewhere it addresses the related questions of why crime fiction is political and how particular examples of the genre engage with the complicated issue of political commitment **Donatella Series: Books 1 - 3 (Buckley Trilogy)** Demetrius Jackson, 2022-04-14 Faced with an adversary hellbent on her destruction can Special Agent Dabria survive the onslaught or will a well orchestrated plot spell her demise Driftwood Springs They see her as a monster But she s their only hope for seeing their kids again Charlotte North Carolina Agent Donatella Dabria s assumed identity preserves her secrets but paints a target on her back So when a billionaire s son is abducted from inside a gated community her too real undercover role quickly gets her fingered for the crime And she s forced to abandon all pretense when the young witness she was supposed to protect is the next victim pulled into the shadows Hampered by an ineffectual police department Donatella relentlessly pursues the truth in a neighborhood with more lies than residents But when she barely survives a vicious attack at her home she s terrified she ll be too late to prevent the kidnapped children from meeting a gruesome fate Can she disarm a deadly scheme before everything blows up in her face Hour of Reckoning A trail of traps A timetable of death Can she survive a sinister plot for revenge Special Agent Donatella Dabria is always looking over her shoulder Tormented by the peril her job has put her loved ones in she s constantly trying to anticipate the ruthless moves of her vindictive rival So she has no doubt her old enemy is back for blood when taunting clues turn up in a vicious case of adultery turned fatal Taking over from the inexperienced cop bungling the investigation Donatella vows to stop the killer s grisly promise of executing everybody close to her heart But with the sadist intent on seeing her suffer the determined fed battles a tragically growing body count Can she endure a maze of murders designed to lead her to her end Annihilation When two rivals enter a deadly maze only one woman can survive Donatella Dabria s search never stops Though it s been years since she was orphaned into her aunt s care the FBI special agent won t rest until she s nailed the fiend responsible And her time may have finally come when her brutal nemesis starts putting affairs in order for one final faceoff Thrust into an intricate puzzle of her cunning enemy s design Donatella struggles to stay in the game from two steps behind And with a powder keg of secrets and a mysterious organization looming in the shadows finding an exit may turn out to be a shortcut to her own doom Will Donatella s fateful standoff backfire in an explosive battle of wits **Finders** Anjili Babbar, 2023-03-15 Some of
