Teaching History, 1976

Turning Points—Actual and Alternate Histories Rodney P. Carlisle, J. Geoffrey Golson, 2007-02-14 This work is a creative approach to history that not only recounts what actually happened during the Civil War but also imagines alternate outcomes had key events turned out differently and how they might have changed the course of American history In colorful readable prose this volume provides a full history of the Civil War including John Brown's raid the story of the Confederate States of America the battles of Bull Run Antietam and Gettysburg Sherman's March to the Sea the Emancipation Proclamation the Thirteenth Amendment Lincoln's assassination Reconstruction and Andrew Johnson's impeachment But more importantly it offers a range of essays on how events could have turned out differently militarily politically and culturally It challenges students and general readers alike to remember that the course of history is not preordained Instead history is made in critical moments of decision by those who choose one course of action over another Their choices and the outcomes of those choices could easily have been different
