Ordinary Girl Society Groom Harlequin Comics:

Ordinary Girl, Society Groom Natasha Oakley, 2014-08-15 Eloise Lawton has finally found the family she's never known. But now she's cast adrift in the high society world where there's only one person Eloise can depend on: broodingly handsome Jeremy Norland. As family loyalties and secrets unravel, Eloise realizes that if she falls in love with Jeremy, she's in danger of losing everything she's fought so hard to find. Will Eloise have the courage to risk it all? *ORDINARY GIRL, SOCIETY GROOM* Natasha Oakley, Makiko Tamai, 2015-01-15 Eloise was born out of wedlock and raised in a frugal environment by her single mother. After her mother's death, she determinedly writes a letter to her father, the Viscount Pulborough. She asks him if he's ever spared her or her mother a second thought, but three weeks pass without a reply. One night, Eloise attends a work party and runs into the Viscount's stepson. He bluntly tells her that upper-class folks like him are used to gold diggers like her swarming around them and that if she thinks she's squeezing any money out of him or his family, she's got another thing coming. Olivia reunited with someone she never expected at the wedding venue she worked at: her first love, Dominic. He reminded her of her reckless passion ten years ago. His hot skin, lips, and she hadn't known anything about the act of making love at the time, so Dominic taught her everything. However, their relationship ended miserably. Even if he tells her that he loves her after all this time, there's no way she can believe him. She knows that even in her times of weakness, she can't give in and accept his strong approach. She would simply be falling into the well-laid trap of a famous playboy. *The Illustrated London News*, 1861 The Musical World, 1868 The New York Times Book Review, 1979 Presents extended reviews of noteworthy books, short reviews, essays, and articles on topics and trends in publishing, literature, culture, and the arts. Sporting shockingly pink hair and striking clothes, she runs the historic Elmhurst Hall's tea room. Despite coming from an old money family of high standing, there is nothing Josie despises more than doing what's expected of her. When a man arrives one day to take over the hall following the death of its former lord, Josie is alarmed to find he's the type of man she hates the most: the pushy, straightlaced aristocrat William Radcliffe. He may be handsome, but his constant nagging has Josie at her wit's end. Enough is enough. She's not about to take orders from anyone.
