Organizational Behavior An Evidence Based Approach equips students with the theory research and skills they need to be effective leaders and managers in today s organizations Author Terri A Scandura utilizes a toolkit of real life case studies assessments and exercises to teach students how organizational behavior can improve performance at every level in the workplace With an emphasis on developing critical thinking skills and applying research to real scenarios this book is a must have resource for any student looking to enter the professional workforce *Organizational Behavior: Theory, Concepts and Practice* Hakan Vahit ERKUTLU,Jamel Ben CHAFRA,2022-04-17 Organizational Behavior Fred Luthans,Brett C. Luthans,Kyle W. Luthans,2021-01-01 Contrary to the common saying we do want you to judge this new edition of Organizational Behavior by its front cover Specifically featured is that this is the 14th edition it takes an Evidence Based Approach and similar to the previous edition there are now three Luthans authors This 14th edition is based on the foundation provided by the first mainline text which has become the classic for the study and understanding of organizational behavior However by taking an evidence based approach this insures that even though a classic this new edition adds the most recent and relevant research to the most extensive up to date reference base of any organizational behavior text By adding the two closely related authors professor sons literally pumps new blood into the sustainability of this classic text by Fred Luthans Importantly Fred has recently been recognized with 1 Lifetime Achievement Award in Organizational Behavior 2 Top 1% of Citation Count of all researchers in the world and 3 the 1 most cited author in Organizational Behavior textbooks Finally this new edition recognizes that even though the theoretical framework and coverage largely remains the context of organizational behavior is rapidly changing This new edition reflects the New Age environment but still holds to the premise that in today s organizations success and competitive advantage still comes from the understanding prediction and effective management of human resources With this new edition we invite you to continue the never ending journey guided by the best organizational behavior theory research and application
