was only in the nineteenth century that the sauce really transformed to the ones we know and use today. Sauces can be fatty or light and healthy depending on the ingredients you are going to use to make it. For example, you can always replace the butter with some egg yolks or even replace cream with yogurt if you are more thinking of choosing healthy options. So let's start to go through this cookbook to understand and create some lovely sauces to accompany all your dishes for the delight of everyone and mainly yourself because the most important in cooking is not just to please others but more importantly is to please yourself.
