Rooftops of Tehran Mahbod Seraji, 2009-05-05 From a striking new talent Sandra Dallas author of Tallgrass comes an unforgettable debut novel of young love and coming of age in an Iran headed toward revolution In this poignant eye opening and emotionally vivid novel Mahbod Seraji lays bare the beauty and brutality of the centuries old Persian culture while reaffirming the human experiences we all share In a middle class neighborhood of Iran s sprawling capital city 17 year old Pasha Shahed spends the summer of 1973 on his rooftop with his best friend Ahmed joking around one minute and asking burning questions about life the next He also hides a secret love for his beautiful neighbor Zari who has been betrothed since birth to another man But the bliss of Pasha and Zari s stolen time together is shattered when Pasha unwittingly acts as a beacon for the Shah s secret police The violent consequences awaken him to the reality of living under a powerful despot and lead Zari to make a shocking choice **Rooftops of Tehran** Sholeh Wolpe, 2008 **Rooftops of Tehran** Sholeh Wolpé, 2008

In Sholeh Wolpe s Rooftops of Tehran an unforgettable cast of characters emerges from the morality policeman with the poison razor blade to the crow girls flapping their black garments from the woman with the bee swarm tattoo emerging from her crotch to the author as a young girl on a Tehran rooftop with a God s eye view hovering above a city where beatings cheatings prayers songs and kindness are all one color s shades Here is a delicious book of poems redolent of saffron and stained with pomegranate in its vision of Iran and of the immigrant life in California Wolpe s poems are at once humorous sad and sexy which is to say that they are capriciously human human even in that they dream of wings and are always threatening to take flight Tony Barnstone Award winning poet and translator author of The Golem of Los Angeles

shopping centres and stadiums It also explores a variety of cultural formations including film photography architecture literature visual arts television and digital media This book offers new ways of thinking about visual and urban cultures by highlighting a politics of everyday life that is conditioned on concerns over visibility and presence

Yesterday's Spy Tom Bradby, 2022-08-02 A father searches for his missing son in 1953 Tehran in this brilliantly plotted espionage thriller from the bestselling author of Triple Cross London 1953 Harry Towers is a recently retired and even more recently widowed British intelligence officer But he springs to action when he hears that his estranged son Sean has disappeared in Tehran after writing a damning article about the involvement of government officials in the opium trade In Tehran a city on the brink of a historic coup Harry s career as a spy soon proves perfect training for this much more personal mission as American British Iranian and French players flit in and out of the scene But as the first attempt at a coup in the city fails and foreign powers jockey for oil money and influence Sean s disappearance takes on a more sinister tone Was he really taken in retribution for his reporting or is this an attempt to silence a globally significant revelation he was preparing to make Or most terrifying of all does Sean s disappearance have nothing to do with him at all Has Harry s past caught up to them all Praise for Tom Bradby A cracking uber topical spy thriller a plot full of twists and turns Financial Times Enthralling and fast moving packed with details of modern tradecraft in the twilight world of spooks against a background of politics at its most Machiavellian it is the stuff headlines are made of Daily Mail Bradby masterfully combines textured psychological drama with a rip roaring plot that boasts several dizzying switchbacks along the way to a genuinely shocking conclusion Booklist starred review

Forugh Farrokhzad, Poet of Modern Iran Dominic Parviz Brookshaw, Nasrin Rahimieh, 2023-05-04 The pioneering Iranian poet and filmmaker Forugh Farrokhzad was an iconic figure in her own day and has come to represent the spirit of revolt against patriarchal and cultural norms in 1960s Iran Five decades after her tragic death at the age of 32

Forugh Farrokhzad Poet of Modern Iran brings her ground breaking work into new focus During her lifetime Farrokhzad embodied the vexed predicament of the contemporary Iranian woman at once subjected to long held traditional practices and influenced by newly introduced modern social sensibilities Highlighting her literary and cinematic innovation this volume examines the unique place Farrokhzad occupies in Iran both among modern Persian poets in general and as an Iranian woman writer in particular The authors also explore Farrokhzad s appeal outside Iran in the Iranian diasporic imagination and through the numerous translations of her poetry into English It is a fitting and authoritative tribute to the work of a remarkable woman which will introduce and explain her legacy for a 21st century audience This second edition includes two new chapters which explore a travelogue Farrokhzad wrote during her time in Italy and an examination of Farrokhzad s influence on the writings of the Afghan female poet Laila Sarahat Rowshani Looking for Trouble Leslie

Cockburn,2013-07-31 News correspondent Leslie Cockburn has dined with the Cali Cartel marched with the Khmer Rouge hunted down the Black Turban in Afghanistan pursued the Russian mafia to the Arctic Circle shared pomegranate sauce with the Ayatollahs and stopped a small Kurdish war but she has never told these stories in a book until now Cockburn was one of the first women to break into the tight fraternity of combat and third world reportage when she began work at the London bureau of NBC News in 1976 where successful news gathering required unorthodox tactics stamina and for best results a criminal mind By the time she moved to CBS s 60 Minutes Cockburn had interviewed Muammar Qaddafi and Margaret Thatcher been arrested as spy in Gambia and effectively eliminated whatever doubts her colleagues might have had about a woman s ability to tackle the news business s most dangerous assignments A mother of three who has made a career of breaking down barriers Leslie Cockburn has exposed the tobacco lobby in Washington and human rights violations in Cambodia and her impact on foreign and domestic policy has been as powerful as her impact on the rights and prerogatives of working women In an industry in which as late as 1973 women had to lobby to wear trousers to work Leslie Cockburn was determined to combine a strong family life with a strong professional life sacrificing neither With a cast of generals drug lords rock stars and kings LOOKING FOR TROUBLE is the incredible story of a career that has spanned the history making news events of the last two decades Alternative Iran Pamela Karimi,2022-09-27 Alternative Iran offers a unique

contribution to the field of contemporary art investigating how Iranian artists engage with space and site amid the pressures of the art market and the state s regulatory regimes Since the 1980s political economic and intellectual forces have driven Iran s creative class toward increasingly original forms of artmaking not meant for official venues Instead these art forms appear in private homes with trusted audiences derelict buildings leftover urban zones and remote natural sites While many of these venues operate independently others are fully sanctioned by the state Drawing on interviews with over a hundred artists gallerists theater experts musicians and designers Pamela Karimi throws into sharp relief the extraordinary art and performance activities that have received little attention outside Iran Attending to nonconforming curatorial projects

independent guerrilla installations escapist practices and tacitly subversive performances Karimi discloses the push and pull between the art community and the authorities and discusses myriad instances of tentative coalition as opposed to outright partnership or uncompromising resistance Illustrated with more than 120 full color images this book provides entry into unique artistic experiences without catering to voyeuristic curiosity around Iran's often perceived underground culture

Iranian Culture Nasrin Rahimieh, 2015-08-27 Throughout modern Iranian history culture has served as a means of imposing unity and cohesion onto society The Pahlavi monarchs used it to project an image of Iran as an ancient civilisation re-emerging as an equal to Western nations while the revolutionaries deployed it to remake the country into an Islamic nation Just as Iranian culture has been continually re-interpreted the representations and avocations of Iranian identity vary amongst Iranians across the world Iranian Culture Representation and Identity demonstrates these fissures and the incompatibilities that refuse to be written out of national culture analysing works of literature popular music graphic art and film as well as oral narratives Using works produced before and after the 1979 revolution created both inside and outside of Iran this study reveals neglected complexities and contradictions in the field of Iranian cultural production It considers how contested claims to culture whether they originated in Iran or the Iranian diaspora shape our understanding of this culture and what spaces they create for new articulations of it and in doing so offers an important re-examination of our collective concept of culture This book would be an excellent resource for students and scholars of Middle East Studies and Iranian Studies specifically Iranian culture including film and contemporary literature and the Iranian diaspora **Iowa Alumni**

Magazine, 2009 **Backpack Lit: Intro & Rooftops of Tehran Pk**, 2009-01-01 **Country Reports on Human Rights Practices**, 2011 *Roxana's Revolution* Farin Powell, 2013-04-18 An ambitious novel of an Iranian woman's personal and professional struggles during a time of war and unrest Powell does a good job of capturing the intense emotions of a very dramatic time a captivating plot with a well-developed protagonist Kirkus Reviews I thoroughly enjoyed reading Roxana's Revolution a gripping story of individuals caught in events both inexplicable and out of control We see the characters pulled between desire for something better for their beloved homeland and the growing knowledge that even worse is waiting for them their friends and their families Eventually reality overwhelms as it always does even the most fervent hopes John

Limbert When the media frenzy over the hostage crisis of 1979 worsens and anti-Iranian sentiment surges all over the United States Roxana a Wall Street attorney has no choice but to return to Iran During a stop in Paris she meets Steve Radcliff an American reporter with a tenacious attraction to her Back in Tehran where circumstances are nothing less than volatile Roxana learns that revolutions while exciting and historic on pages of a book are painful to endure As one crisis after another spins out of control the government imposes wearing of a mandatory veil This harsh revolutionary rule and Saddam Hussein's invasion of Iran diminish Roxana's hope to have a normal life She rejects Steve's marriage proposal and refuses to leave Iran with him But a near-death experience and loss of her freedom in a border-sealed Iran propel her to enter a marriage doomed

from its inception In this novel an Iranian womans life comes full circle as she takes a journey through Europe and back to the United States A dire situation takes Roxana back to Paris where a life altering surprise is waiting for her
