Underground Rap as Religion Jon Ivan Gill, 2019-10-28 Underground rap is largely a subversive grassroots and revolutionary movement in underground hip hop tending to privilege creative freedom as well as progressive and liberating thoughts and actions This book contends that many practitioners of underground rap have absorbed religious traditions and ideas and implement critique or abandon them in their writings This in turn creates processural mutations of God that coincide with and speak to the particular context from which they originate Utilising the work of scholars like Monica Miller and Alfred North Whitehead Gill uses a secular religious methodology to put forward an aesthetic philosophy of religion for the rap portion of underground hip hop Drawing from Whiteheadian process thought a theopoetic argument is made Namely that it is not simply the case that is God the poet of the world but rather rap can in fact

be the poet creator of its own form of quasi religion This is a unique look at the religious workings and implications of underground rap and hip hop As such it will be of keen interest to scholars of Religious Studies Hip Hop Studies and Process Philosophy and Theology The Rough Guide to Rock Peter Buckley,2003 Compiles career biographies of over 1 200 artists and rock music reviews written by fans covering every phase of rock from R B through punk and rap **The Rough Guide to New York** Martin Dunford,Stephen Keeling,Andrew Rosenberg,2011-01-20 The Rough Guide to New York is the definitive guide to the cultural capital of the USA taking you from the historic Financial District to the landmark architecture of Midtown and from peaceful Central Park to the furthest reaches of the Bronx It s packed with detailed lively reviews of accommodation and restaurants to suit all budgets plus the practical information you ll need to make the best of your break Get under the skin of this dynamic vibrant city with the things not to miss essentials on how to get around and quirkier sections like the recommended New York books and films With comprehensive research stunning photographs and dozens of clear accurate maps The Rough Guide to New York is your essential companion Make the most of your trip with The Rough Guide to New York The Rough Guide to Florida Mark Ellwood,Todd Obolsky,Ross Velton,Rough Guides (Firm),2004 Discover this exquisite region of the United Stateswith the most incisive and entertaining guidebook on the market Whether you plan to soak up the sun on Miami Beach track down alligators in the Evergladesor dive amid vibrant coral reefs in the Florida Keys The Rough Guide to Florida will show you the ideal places to sleep eat drink shop and visit alongthe way *The Rough Guide to Film* Rough Guides,2008-05-01 Get the lowdown on the best fiction ever written Over 230 of the world s greatest novels are covered from Quixote 1614 to Orhan Pamuk s Snow 2002 with fascinating information about their plots and their authors and suggestions for what to read next The guide comes complete with recommendations of the best editions and translations for every genre from the most enticing crime and punishment to love sex heroes and anti heroes not to mention all the classics of comedy and satire horror and mystery and many other literary genres With feature boxes on experimental novels female novelists short reviews of interesting film and TV adaptations and information on how the novel began this guide will point you to all the classic literature you ll ever need *The Rough Guide to Jamaica* Rough Guides,2015-08-03 The new full colour The Rough Guide to Jamaica is the ultimate travel guide to the most captivating of Caribbean Islands In depth coverage and clear maps will help you discover the best that the island has to offer from white sand beaches and rum bars to misty mountains and vibrant towns while detailed practical information will help you get around Fully updated with expert information on everything from reggae and street parties to the best coffee and the quietest beaches plus insider reviews of the best places to stay eat and drink for all budgets brought to life by stunning photography Whether you want to flop on the beach or explore every corner of the island the Rough Guide will make sure you make the most of your time in Jamaica *The Rough Guide to Videogames* Kate Berens,Geoff Howard,2008-08-01 The Rough Guide to Videogames is the ultimate guide to the world s most addictive pastime Both a nostalgic look at the past and
