Consequently many of the sections and illustrations are identified as being appropriate for various models and not necessarily specific to the particular model referenced in the manual title We encourage you to exercise caution when purchasing technical publications for your classic Royal Enfield motorcycles as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor quality comb bound photocopies that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model years However VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product
