Shoemaker,2025-07-22 This is a true story Gerald Shoemaker survived a homegrown religious cult that nearly decimated his life and the lives of his family The sect was dominated by his brother in law who rationalized his degenerate desires by claiming to be a prophet of God and his ex wife who abdicated her role as wife and mother to become his loyal devotee In addition Gerald s twin sisters played major roles as converts to this colony of corruption **Sovereign Secret** Melton

Arnold Otts,2021-03-18 This is a READ ALOUD BOOK it is important that your voice be heard For the spoken word has power and our power is given through the very words that we speak It takes 2 hours and 45 minutes to read the entire book My attention was pinged when I read about the MEETING between Melchizedek King of Salem and Abraham the Father of Nations For what did Melchizedek share with Abraham that was so much of a BLESSING that Abraham gave Melchizedek a tenth of the spoils of the battle between the Kings at Mount Hobah Additionally what was the significance of the BREAD and WINE OFFERING I began my search for the answer to these two questions and I found much more the WORDS SPOKEN BY MELCHIZEDEK about the CREATION of MAN and the TIME BEFORE THE FLOOD I was farther blessed with the SPIRIT OF EMMANUEL who shared with me the DEATH AND RESURRECTION of JESUS and how it ushered in the GRAND PRIESTHOOD AND KINGSHIP OF EMMANUEL AND introduced the HOLY into MY KNOWING In God's Grip Russell J.

The Wake-up Call Madu De Silva,2024-05-24 What if the world had never been tainted by sin and evil What if Adam and Eve had resisted the temptation of the forbidden fruit How would our history and faith have been different Would we still have needed God or would God still have wanted us in such a perfect world Now imagine attaining immortality defying the graceful ageing and inevitable death You find yourself in an Eden like setting where your sole duty is to sing praises for the creator living forever with no sin no emotions no physical form and no attachments except for the service of God The allure of eternal life as depicted in various religious texts often presents an image of endless existence in a paradise like setting

However the reality of such an existence may not be as idyllic as it first appears Imagine for instance your favourite meal The first taste is a revelation the hundredth still delightful But the thousandth The millionth Even the most divine delicacies could become mundane Similarly consider a favourite song or a beloved film Repeated endlessly even these could lose their charm In an eternal life where each day mirrors the last the pleasures we savour in our mortal lives could become tedious Compare this with our finite existence shaped by time Each day brings a new opportunity every encounter could change our lives and every challenge helps us grow Growing old often seen negatively is a mark of our wisdom and experience The beauty of ageing is a tribute to life itself At some point whether you are a devout cleric or a God fearing layman you have wondered about questions that challenge your beliefs your interpretation of the Bible and what you have learned The Wake Up Call invites you to explore the Bible from a completely new angle It s not a demand to change what you believe but to learn things from a different perspective The readers who accept this invitation will find it rewarding and I promise you a delightful journey This book is not just a critique of God the Bible and Abrahamic religions It s a reflection of our convictions a challenge to look beyond the obvious and a call to question the unquestionable Are you courageous enough to answer the call Are you prepared for the shock of the new insight If so open the book and start your journey The road may be tough but the rewards are priceless This is your wake up call Will you heed it The choice is yours [NIV, Gospel of John, eBook](#)

Life Changing Truth Diane J. Rigtters,2023-12-08 This book is understandable inspiring and pleasant to read It is about a self proclaimed atheist who believed that God was a myth until someone shared the Gospel of Jesus Christ with her She then got convicted of sin righteousness and judgment So her faith journey began At one point she was no longer content with her relationship with Lord Jesus therefore she longed to get closer to Him Out of her desire the Holy Spirit inspired her to write about His boundless grace something she vaguely knew She consciously started recognizing and experiencing God s grace During her faith journey she began rediscovering who Jesus Christ is and more revelation of His inexhaustible agape love The author gives a concise and refreshed description of the many facets of what divine grace is all about She describes these characteristics and attributes of God vividly and with such a conviction that the reader s heart will long and ache at the same time to know more about Lord Jesus Christ She believes that divine grace is no longer just a word from the Good Book or a powerless theological doctrine but is the person of Jesus Christ Who restores and changes lives The book invites you to deepen your relationship with God Almighty while reclaiming the manifold glory of His grace [Epistles from Perpetua](#)

set aside time to pray regularly Who has difficulty finding the right words to express their needs How can our God answer so many prayers from Christians all over the world reaching out continuously over time Epistles from Perpetua attempts to answer some of these queries using examples of people throughout history who have wrestled with their close communication with a heavenly Father Praise and gratitude will bring all to the foot of the Cross to seek and find the healing gifts of comfort consolation and compassion Morning and Evening Meditations from the Word of God Michael J.

Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God Psalm 15 David W. Whitlock,Gordon Dutile,2008-04-01 Psalm 15 begins with two related questions LORD who may dwell in your sanctuary Who may live on your holy hill v 1 These are questions worthy of our consideration as Christian business professionals seeking to integrate our faith and our work The psalmist answers the questions with the following description He whose walk is blameless and who does what is righteous who speaks the truth from his heart and has no slander on his tongue who does his neighbor no wrong and casts no slur on his fellowman who despises a vile man but honors those who fear the LORD who keeps his oath even when it hurts who lends his money without usury and does not accept a bribe against the innocent He who does these things will never be shaken vv 2 5 NIV Using this psalm as a basis Southwest Baptist University s College of Business and Computer Science is devoted to educating Psalm 15 professionals who exemplify traits including integrity service respect charity faithfulness truthfulness humility and perseverance The devotions in this small volume draw readers attention to the need for believers to exemplify such character traits Contributions from the SBU faculty and administration remind us of the necessity to approach life and work with a biblical worldview This volume is an abbreviated version of another Resource Publications book A Noble Calling Devotions and Essays for Business Professionals also available from Wipf and Stock Publishers www.wipfandstock.com From the Inside Out Ryan Kuja,2018-05-22 For the sake of the world we question For the sake of the gospel we examine For the sake of the dignity of the image bearers we serve as well as ourselves we inquire The evolution that has taken place in the world of mission over the last twenty five years has left many Christians asking brutally honest questions about what we do and why we do it Are we doing more damage than good What does it look like to truly love and serve the marginalized in an authentic and effective way What actually is the gospel and is it truly good news In this groundbreaking book Ryan Kuja vividly examines the world of Christian mission as few have seen it With a beautiful balance of storytelling and theological reflection

birthed from his own painful and powerful experiences on and off the field from rural villages in South Sudan to major cities across Asia Africa and Latin America Ryan guides us into global mission s past and present revealing where the light and hope lie helping recover a missional future that will usher us into a new era This is mission reimagined for a world recreated from the inside out
