1000 Consecutive Days of Fasting Vernard Johnson, 2010-04 Is fasting 1000 consecutive days possible Not fasting day and night without any food and water no that s not possible but fasting for over a thousand consecutive days from 15 to 17 hours a day is possible Never in my wildest dreams did I think that I would be the person to do this But why fast 1000 days What was the reason behind it all I wish the answer to why a person would fast 1000 days was simple but it s not The absolute truth is that I never intended to fast 1000 days It never even entered into my mind Had it I know I would have rejected the idea I never thought it was possible I didn t even think 100 days was possible until GOD blessed me to do it It was not until I had fasted around 700 days that I began to believe 1000 days of fasting was possible That s when I prayed and said to God Lord since you have blessed me to fast 700 days I have only one request now Lord bless me to go 1000 days The Lord heard my request and granted it During my fast I kept wondering and saying Lord why Why won t you give me a release from this fast It was not until I had fasted 1000 days that God revealed the reason why He had me fasting all those days God spoke to my mind and said Vernard I didn t have you fasting for you I had you fasting for people who need Me all over the world So I was not fasting for me I was fasting for you people who are broken people who have been wounded and bruised and people who need God to move in their behalf
