Dark Heart Donna Grant, 2024-11-12 Deepest passion Darkest betrayal Once she was my world The only one I loved Then it was all ripped away including my freedom Vengeance kept me alive It paved every step shaped every plot Until I finally caught her I learned that line between love and hate is wafer thin Where once my dreams were filled with revenge now that I have her all I think about is the intoxicating passion we once shared But there's no turning back the events her capture has set into motion It unravels a carefully constructed world one where enemies surround me Everyone that is except her Now we only have each other and the love that once united us to fight our way to long buried truths that will change everything New York Times and USA Today bestselling author Donna Grant returns to her captivating Elven Kingdoms series with a tale of second chances love amidst chaos and the healing power of forgiveness

The Uncrowned King Donna Grant, 2025-01-14 I would burn the world for him My people have been hunted to extinction by dragons I am the last of my kind Forever running Forever alone Then I met him Dangerous Carnal Dragon And utterly magnetic I had no defenses against the passion that claimed us Each time his lips touched mine each time his arms held me I fell deeper And I fell hard My mortal enemy became my world The very reason for my existence My one and only Until our forever was violently snatched away Now I'm hunted once more But I'm not running this time I'm fighting for love For him A hellhound facing her past A dragon reclaiming his throne Forbidden lovers will face the ultimate test A Dragon King duology from New York Times and USA Today bestselling author Donna Grant

Storm Wood Donna Grant, 2025-05-13 Deepest loyalty Fiercest defiance I never wanted to fall in love My sister's disappearance damaged me for such things I've devoted my life finding her no matter where that leads me I could never have imagined it would bring me to him A human with haunting celadon eyes and a determination that rivals my own He's strong brash and gorgeous Maybe that's why I was caught off guard when he acknowledged that I was a covert agent It's a secret few know and if word gets out I'm as good as dead Too much rides on my identity remaining hidden I have no choice but to help him navigate the perilous depths of the Below and all who reside there But the lines that were once so vivid between us slowly begin to blur We have only each other to survive and trusting him with my life is one thing With my heart that's something I can't even consider Yet

I can't stop wondering what his lips would feel like against mine I can't help the ache I feel to be near him And I can lie to him but not myself I crave his hard body next to me I never wanted to fall in love but he stole my heart before I had a chance to safeguard it Now fate is pulling us apart but I intend to fight for him For us Even if it means my death New York Times and USA Today bestselling author Donna Grant weaves a captivating story of daring choices unlikely alliances and the enduring strength of hope in the thrilling third installment of her acclaimed Elven Kingdoms series **National Stockman and**
