Growing up Rocco Linda Rocco, 2016-11-11 Growing up my favorite times were family dinners and celebrations I loved listening to the stories about my parents and their families as they grew up Of course there would be so much food that everyone went home complaining that we had eaten too much In the early 80s I started typing my recipes on a regular old typewriter that we had bought at a garage sale in 1967 when Chuck went back to college Years later he sneaked the pages to one of the customer service ladies he worked with who typed it and another designed a

cover We had the customer service department to our home that Christmas and they presented my cookbook to me I frequently would make copies and give the small book to people that asked Years later thanks to technology I was able to reprint on our own equipment and once again passed out to friends and family The little book became Volume I when after many years I finished my second cookbook becoming Volume II which I have included in this book In the early 80s I started typing my recipes on a regular old typewriter that we had bought at a garage sale in 1967 when Chuck went back to college Years later he sneaked the pages to one of the customer service ladies he worked with who typed it and another designed a cover We had the customer service department to our home that Christmas and they presented my cookbook to me I frequently would make copies and give the small book to people that asked Years later thanks to technology I was able to reprint on our own equipment and once again passed out to friends and family The little book became Volume I when after many years I finished my second cookbook becoming Volume II which I have included in this book I dedicate the entire book to my late husband The good food and family gatherings were definitely a big factor in my husbands attraction to me He gained twenty pounds on our first year of marriage Chuck was in the Air Force and they had strict rules about weight to stay on the flight crew and he was frequently on the fat list I started to write down our family favorites to pass on to our daughters and it became this little book However I still have recipes to organize but some I have jotted on various cards and paper and not all of them have weathered time so well Maybe there will be another little book in the future Enjoy **Simply Sharron** Sharron Bell,2021-04-12 Ya ll mosey on over and pull up a chair cus I reckon yous orta stay a spell sosa we can ponder a bit about what s cookin in yonder Yont to Ain t nary a reason to be in a rush Nows would ya pass me the earl to slop on this rusty hinge Dag nab it if yous youngins er goin to the crick roll up yern britchy legs These were all well known words heard throughout my childhood and even into today I find myself sayin such things to my children on occasion They look at me with a crooked grin and say okay mom You know that type of slang is just ingrained and hard to change One of the things that I ve learned in my lifetime thus far is that these words have slipped through the lips of some mighty fine home cooks Author Sharron Bell s Simply Sharron A Recipe Collection is a heartwarming memoir that shares memories of family and friends as well as the meals they ve shared along the way This book takes you on a tasty trek through a multitude of recipes collected from family and friends One of the great things about this book is that it depicts meals that can be simply prepared by all home cooks who enjoy being in the kitchen preparing home style meals that are basic and without the need for a lot of extravagant kitchen tools With this collection of recipes in your arsenal you will always have an appetizer sauce main dish casserole salad soup or dessert recipe at your fingertips Simply Sharron A Recipe Collection is not just about the meals but about the memories that have been and will be created every day *Recipes for your next 'Big Game' Party* Terry Rowan,2012-04-05 A cookbook with memories of the Super Bowl from each year These are the recipes we used at our parties while watching the big game and playing cards A treasure to have Happy cooking and good eating Go Packers Elaine'S
