LE GUIDE DE L'ORGANISATION DU MARIAGE. Anonyme, 2000-02-25 On ne devrait pas toujours laisser les chiffres se mêler des instants qui s'essaient au magique Et parler du mariage renfort de statistiques paraît presque incongru Il n'est guère plus pertinent de disserter sur les vertus ou les vices du mariage Sociologues psychocrates penseurs s'y sont amusés s'y amusent et s'y amuseront encore sans jamais parvenir convaincre La sincérité du mariage ne se joue ni dans les chiffres ni dans les lettres L'alliance n'est affaire ni de calculatrice ni de dictionnaire Mais simplement celle de deux très prononçant un oui en guise de je t'aime pour la vie Pour ceux qui s'unissent officiellement il ne doit être question que d'amour de conviction de partage de beau de simple de gai de plaisir d'unique et de touchant On se marie d'abord pour soi Et ce guide n'a pas d'autre ambition que de vous accompagner un peu jusqu'à ce oui mythique en vous livrant les conseils les informations les pistes les bonnes adresses qui feront de votre mariage une journée si particulière Au sommaire de ce guide Des fiançailles la lune de

miel tout ce qu'il faut savoir pour organiser son mariage effectuer les démarches administratives dresser la liste des invités établir le budget etc Les coups de cœur les astuces les petits plus qui feront la différence Toutes les adresses utiles robe de mariée alliances liste de mariage lieu de réception traiteur voyage de noces etc
