Essentials of Organizational Behavior, Global Edition
Stephen P. Robbins, Timothy A. Judge, 2015-05-20

For courses in Organizational Behavior *Essentials of Organizational Behavior* is a comprehensive work that covers key concepts of the Organizational Behavior field while remaining brief in length and easy to absorb Teaching students how to understand and interact with people in real organizations the Thirteenth Edition is an engaging informative and interesting text that draws many connections to future careers in OB *Essentials of Organizational Behavior* helps students retain and relate only the most necessary information and experiences of Organizational Behavior to their own lives and future careers Its brevity and coverage of essential concepts allows for a source material that is easily adaptable to a broad range of students and courses Also available with MyManagementLab

MyManagementLab is an online homework tutorial and assessment program designed to work with this text to engage students and improve results Within its structured environment students practice what they learn test their understanding and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts Please note that the product you are purchasing does not include MyManagementLab

MyManagementLab Join over 11 million students benefiting from Pearson MyLabs This title can be supported by MyManagementLab an online homework and tutorial system designed to test and build your understanding Would you like to use the power of MyManagementLab to accelerate your learning You need both an access card and a course ID to access MyManagementLab These are the steps you need to take

- 1 Make sure that your lecturer is already using the system Ask your lecturer before purchasing a MyLab product as you will need a course ID from them before you can gain access to the system
- 2 Check whether an access card has been included with the book at a reduced cost If it has it will be on the inside back cover of the book
- 3 If you have a course ID but no access code you can benefit from MyManagementLab at a reduced price by purchasing a pack containing a copy of the book and an access code for MyManagementLab ISBN 9781292090184
- 4 If your lecturer is using the MyLab and you would like to purchase the product Go to www.mymanagementlab.com to buy access to this interactive study programme

For educator access contact your Pearson representative To find out who your Pearson representative is visit www.pearsoned.co.uk/relocator *Handbook of Principles of Organizational Behavior* Edwin Locke, 2011-07-15 There is a strong movement today in management to encourage management practices based on research evidence In the first volume of this handbook I asked experts in 39 areas of management to identify a central principle that summarized and integrated the core findings from their specialty area and then to explain this principle and give real business examples of the principle in action I asked them to write in non technical terms e g without a lot of statistics and almost all did so The previous handbook proved to be quite popular so I was asked to edit a second edition This new edition has been expanded to 33 topics and there are some new authors for the previously included topics The new edition also includes updated case examples updated references and practical exercises at the end of each chapter It also includes a preface on evidence based management The principles for the first edition were intended to be relatively timeless so it is no surprise that most of the principles are the same though some chapter titles include more than one principle This book could serve as a textbook in advanced undergraduate and in MBA courses It could also be of use to practicing managers and not just those in Human Resource departments Every practicing manager may not want to read the whole book but I am willing to guarantee that every one will find at least one or more chapters that will be practically useful In this time of economic crisis the need for effective management practices is more acute than ever
