## **Origen And Scripture The Contours Of The Exegetical Life:**

**Origen and Scripture** Peter W. Martens, 2012-01-06 Scriptural interpretation was an important form of scholarship for Christians in late antiquity For no one does this claim ring more true than Origen of Alexandria 185 254 one of the most prolific scholars of Scripture in early Christianity This book examines his approach to the Bible through a biographical lens the focus is on his account of the scriptural interpreter the animating centre of the exegetical enterprise In pursuing this largely neglected line of inquiry Peter W Martens discloses the contours of Origen s sweeping vision of scriptural exegesis as a way of life For Origen ideal interpreters were far more than philologists steeped in the skills conveyed by Greco Roman education Their profile also included a commitment to Christianity from which they gathered a spectrum of loyalties guidelines dispositions relationships and doctrines that tangibly shaped how they practiced and thought about their biblical scholarship The study explores the many ways in which Origen thought ideal scriptural interpreters himself included embarked upon a way of life indeed a way of salvation culminating in the everlasting contemplation of God This new and integrative thesis takes seriously how the discipline of scriptural interpretation was envisioned by one of its pioneering and most influential practitioners

**Origen and Scripture** Peter William Martens, 2012 This text examines Origen of Alexandria s approach to the Bible through a biographical lens focusing on his account of the scriptural interpreter Martens explores the many ways in which Origen thought ideal scriptural interpreters embarked upon a way of salvation culminating in the everlasting contemplation of God

**Patristic Exegesis in Context** Miriam De Cock, Elizabeth Klein, 2023-10-16

**Origen and the Holy Spirit** Justin J. Lee, 2023-01-23 This book is an in depth examination of the pneumatology of Origen of Alexandria Justin J Lee argues that Origen conceives of the Holy Spirit as a divine person but inferior in nature in both person and work This can be discerned from his understanding of the Son and Father as well as the influence of Middle Platonism on his theological and cosmological framework Ontologically Origen s understanding of Trinity is a hierarchy of divine persons in which the greater ministers to the existence of the lower Origen s pneumatology can be best understood by examining how he speaks about the work of the Holy Spirit The Spirit participates in the divine work of salvation reflecting an economic Trinity of shared work and will The Spirit s primary role is to indwell and assist the saints There are two major actions of the Holy Spirit s work 1 the downward action of God where the Spirit is the distributor of the divine gifts and graces and 2 the Spirit s upward work of revelation and sanctification by which he leads the saints to the Son and Father The Spirit thus serves as the practical and personal initiator of believers into the greater processes of salvation and deification

**Origen of Alexandria and the Theology of the Holy Spirit** Micah M. Miller, 2024 This book offers a comprehensive account of Origen s pneumatology In its examination of the Holy Spirit s identity who the Spirit is and activity what the Spirit does the study reads Origen in his context and surveys his entire corpus It also provides a fresh perspective of Origen s Trinitarian thought

**The Reception of Jewish Tradition in the Social Imagination of the Early Christians** John M.G.

Barclay, Kylie Crabbe, 2021-08-26 The contributors to this volume take as their theme the reception of Jewish traditions in early Christianity and the ways in which the meaning of these traditions changed as they were put to work in new contexts and for new social ends Special emphasis is placed on the internal variety and malleability of these traditions which underwent continual processes of change within Judaism and on reception as an active strategic and interested process All the essays in this volume seek to bring out how acts of reception contribute to the social formation of early Christianity in its social imagination its speech and thought about itself or in its social practices or both This volume challenges static notions of tradition and passive ideas of reception stressing creativity and the significance of strong readings of tradition It thus complicates standard narratives of the parting of the ways between Christianity and Judaism showing how even claims to continuity were bound to make the same different      **The Oxford Handbook of Origen** Ronald E. Heine, Karen Jo Torjesen, 2022-02-17 This interrogation of Origen's legacy for the 21st Century returns to old questions built upon each other over eighteen centuries of Origen scholarship problems of translation and transmission positioning Origen in the histories of philosophy theology and orthodoxy and defining his philological and exegetical programmes The essays probe the more reliable sources for Origen's thought by those who received his legacy and built on it They focus on understanding how Origen's legacy was adopted transformed and transmitted looking at key figures from the fourth century through the Reformation A section on modern contributions to the understanding of Origen embraces the foundational contributions of Huet the twentieth century movement to rehabilitate Origen from his status as a heterodox teacher and finally the identification in 2012 of twenty nine anonymous homilies on the Psalms in a codex in Munich as homilies of Origen Equally important has been the investigation of Origen's historical cultural and intellectual context These studies track the processes of appropriation assimilation and transformation in the formation and transmission of Origen's legacy Origen worked at interpreting Scripture throughout his life There are essays addressing general issues of hermeneutics and his treatment of groups of books from the Biblical canon in commentaries and homilies Key points of his theology are also addressed in essays that give attention to the fluid environment in which Origen developed his theology These essays open important paths for students of Origen in the 21st century      *Under the Shade Tree* Joseph Ogbonnaya, 2025-09-23 Under the Shade Tree investigates how the Bible was and is read in Africa and by Africans It proposes a synthesis that resists the way the Bible is used in Africa to support forms of deception and fraud It argues for critical study of the Bible not only for biblical scholarship but also for ordinary people's reading of the Bible      [A History of Christian Theology \(Repack\)](#) Gerald Bray, 2024-10-29 A Historical Examination of Christian Theology through a Trinitarian Framework Theology is important But so is the story behind the specific doctrines that have been debated defined and refined throughout church history In this book professor Gerald Bray introduces readers to the history of Christian theology the Trinity our doctrine of God and the Bible our knowledge of God Unlike other books on the topic Bray's volume is not organized primarily by time period or distinct

doctrinal categories Rather it puts theology first and history second following a Trinitarian pattern that begins with God the Father moves on to God the Son and ends with God the Holy Spirit This unique approach offers readers a more holistic understanding of the development of theology paralleling the order in which the church wrestled through challenging theological issues and controversies related to God man and salvation Accessible Aimed at non specialists not just the academic community Unique Organization Uses a Trinitarian framework to provide a more holistic understanding of the development of theology Historical Explores the Jewish background behind the development of Christian theology Written by Gerald Bray An internationally renowned historian and theologian Replaces ISBN 978 1 4335 2694 7

**The Crucifixion of the Warrior God** Gregory A. Boyd, 2017-04-17 The Crucifixion of the Warrior God in an epic constructive investigation takes up the set of dramatic tensions between depictions of divinely sanctioned violence in Scripture and the message and life of peace of Jesus centering the New Testament Over two volumes author Gregory A Boyd argues that we must take seriously the full range of Scripture as inspired and the centrality of the crucified and risen Christ as the supreme revelation of God
