

The background of the cover features a woman with long, wavy brown hair, wearing a white, sleeveless, lace-trimmed dress. She is standing with her hands on her hips, looking slightly to her left. She is surrounded by a swirling, ethereal blue and white energy that forms a circular pattern around her. The overall color palette is dominated by various shades of blue, from deep navy to light cyan, with white highlights and intricate, swirling patterns that suggest magic or a fantastical setting. The title and author's name are integrated into this design, with the title being the most prominent element.

Perception Eve Series Book 3:

Transcendence A. L. Waddington, 2024-06-29 A storm is brewing Several years ago Sidney learned that she like her sister Jocelyn had inherited the gift or curse of EVE the ability to live parallel lives on two separate planes of existence two centuries apart as their soul travels nightly A prospect she has yet to fully embrace Sidney's 21st century life consists of her boyfriend Landon completing medical school and following her mother's footsteps to becoming a doctor She has worked hard and sacrificed much to get where she is and she is proud of all she has accomplished But the actions of her 19th century self threatens to jeopardize it all As the threat of the looming American Civil War darkens her world she is consumed with her limited abilities as a woman Unrest and tension surround her Boston estate as her neighbors speculate what the future holds How can she remain silent in her knowledge when her husband Keifer and all those dear to her will soon be in imminent danger A storm around her is brewing and she feels powerless to stop it

Enlightened A. L. Waddington, 2024-06-29 Time stands still cause time can't heal The barrier between Jocelyn Timmons' consciousness continues to dissolve as she better understands the two lives she lives and enormity of her newly discovered inherited gift of EVE Essence Voyager Era which allows her to fall asleep on one plane of existence and awaken on another as her soul travels nightly Present day Jocelyn uncovers the vast wonderment of the Victorian era but soon learns that life during then was not as grand for women as she has read in the classics Still she finds comfort in the support of family and friends a bolstering contrast to her overly hectic career oriented family in the twenty first century Her love for Jackson Chandler strengthens over time and becomes the light she so desperately needs as the world she has always known no longer makes sense Yet the closer she is drawn to Jackson by their mutual ability the more strain develops amongst those she loves in 2009 On the other side of Jocelyn's consciousness in 1878 she remains ignorant of EVE Her life is crumbling around her yet she finds herself anxiously awaiting the images that invade her dreams Jocelyn longs to be the woman she portrays in that world yet her jealousy is unbearable Miscommunication betrayal and hidden agendas make trust nearly impossible The clearer the visions become the more she questions the motives of her closest confidants and foregoes revealing the images that plague her perception As her life seems to unravel Jocelyn's two worlds collide and she is enlightened as the pieces start to fall into place But is she strong enough to survive the truth Is Jackson really her destiny And can their love transcend time

Essence A. L. Waddington, 2024-06-29 Our minds often wander but can our souls Jocelyn Timmons does not believe she is anything special just an ordinary high school senior living an ordinary life full of schoolwork volleyball and friends She's about to find out how wrong she is Jackson Chandler moved into the house across the street His dark wavy hair green eyes and charismatic personality draw everyone to him Everyone but Jocelyn Whenever Jackson gets near Jocelyn she feels ill and dizzy When he touches her she blacks out and has visions of another life in another time As the odd hallucinations evolve and become clearer she feels a strong pull towards the people she sees there Frightened she watches her once stable life begin to

crumble around her and she begins to question her own sanity Could it be possible that these episodes are actually her own memories of a life she is living somehow somewhere some when Maybe this is time travel or some other paranormal mysticism Our minds often wander but can our souls

New Perceptions of Old Appearances in the Art of Samuel Bak Lawrence L. Langer, 2005-08-17 Samuel Bak s most recent series of paintings New Perceptions of Old Appearances is a tribute to the power of the metaphorical imagination Using the pear as a substitute image for the familiar apple of Eden Bak explores the struggle of modern civilization to wrest from our fragile universe a viable mode of communal existence Bak s pears are stoic in their solidity but vulnerable to decay In some guises they shine with the beauty of succulent fruit but in others they fall victim to the violence of history and the decay of time In this book filled with color illustrations Lawrence L Langer shows the

versatility and uniqueness of Bak's art. His pears play many roles challenging the viewer to interpret their enigmatic presences without having to search for a single dogmatic meaning. While some laden with promise proclaim the inherent dignity of artistic form, others remind us as they are consumed by fire or sacrificed on strange altars of what Bak has called the ineffaceable tragedy and sadness that has been part of our lot as human creatures during the past hundred years. His images are both ripe with life and haunted by death. Text-book of Ophthalmology Ernst Fuchs, Alexander Duane, 1898
