

Romeo & Juliet Study Guide**Act II****Scene I**

- 1. Romeo encounters Benvolio and Mercutio outside Capulet's garden. What does he do when he hears them?**
He hides from them (although not directed in the script, it is obvious by the dialogue that they cannot find him.)
- 2. What do they think his problem is?**
They think he is still pining over Rosaline.
- 3. Why do they decide to leave without Romeo?**
Benvolio says there is no point in looking for him if he doesn't want to be found.

Scene II

- 4. Why is Juliet surprised to see Romeo outside her balcony?**
It's the middle of the night, and she doesn't know how he got over the orchard walls.
- 5. Why does she worry about him being there?**
He's a Montague, and it's very dangerous of him to be there. They could kill him.
- 6. How is Juliet's first speech an example of dramatic irony?**
Dramatic irony – when the audience knows something that one of the characters does not. Juliet does not know that Romeo is listening to her, but we do.
- 7. After Romeo and Juliet vow their love for one another, what do they decide to do and when?**
Send messengers to communicate and tell if they are getting married or not. They will meet at 8:00 the next morning.

Scene III

- 8. This scene opens with Friar Lawrence collecting herbs and discussing the properties of the herbs and how they may be used. What does this foreshadow?**
That his knowledge may be used in the future – he may be called upon for his knowledge of what plants can do.
