## **Rosa Mistika Swahili Edition:**

Rosa Mistika Euphrase Kezilahabi, 2025-06-17 A controversial Swahili classic by one of Tanzania's most revered writers banned on publication and finally translated into English. Teenage Rosa lives with her parents and four younger sisters in a village on Ukerewe Island in Lake Victoria where she attends the local school and helps out on the family farm. Life would be relatively peaceful if it weren't for Rosa's father who drinks to oblivion and abuses his wife and daughters. Initially relieved to be admitted into a residential school on the mainland, Rosa soon discovers that she's ill prepared for life outside her village. As she becomes accustomed to the attention and manipulations of men, she begins to understand her sexuality as a weapon. But this understanding born of the need to survive in a world of double standards comes with a price. *Rosa Mistika* is a radical narrative exploration of womanhood, maternal love, agency and authority and the first ever Swahili novel to address issues of domestic violence, sexual coercion and abortion. Through the story of a young woman and her community, it poses the enduring question: To what degree are we responsible for the choices we make and to what degree are we acted upon by forces outside our control.

Encyclopedia of Bohemian and Czech-American Biography Miloslav Rechcigl Jr., 2016-11-10 As the Czech ambassador to the United States, H. E. Petr Gandalovic noted in his foreword to this book that M. A. Rechcigl has written a monumental work representing a culmination of his life achievement as a historian of Czech America. The *Encyclopedia of Bohemian and Czech American Biography* is a unique and unparalleled publication. The enormity of this undertaking is reflected in the fact that it covers a universe starting a few decades after the discovery of the New World through the escapades and significant contributions of Bohemian Jesuits and Moravian brethren in the seventeenth and eighteenth centuries, the mass migration of the Czechs after the revolutionary year of 1848 and up to the early years of the twentieth century and the influx of refugees from Nazism and communism. The encyclopedia has been planned as a representative, a comprehensive and authoritative reference tool encompassing over 7,500 biographies. This prodigious and unparalleled encyclopedic *vade mecum* reflecting enduring contributions of notable Americans with Czech roots is not only an invaluable tool for all researchers and students of Czech American history but is also a *carte blanche* for the Czech Republic which considers Czech Americans as their own and as a part of its magnificent cultural history.

societies dedicated to interdisciplinary dialogue between literary and cultural studies historiography the social sciences and cultural anthropology Matatu is animated by a lively interest in African culture and literature including the Afro Caribbean that moves beyond worn out clichés of cultural authenticity and national liberation towards critical exploration of African modernities The East African public transport vehicle from which Matatu takes its name is both a component and a symbol of these modernities based on Western these days usually Japanese technology it is a vigorously African institution it is usually regarded with some anxiety by those travelling in it but is often enough the only means of transport available it creates temporary communicative communities and provides a transient site for the exchange of news storytelling and political debate Matatu is firmly committed to supporting democratic change in Africa to providing a forum for interchanges between African and European critical debates to overcoming notions of absolute cultural ethnic or religious alterity and to promoting transnational discussion on the future of African societies in a wider world Matatu will be published as journal as of 2016 All back volumes are still available in print

### **Literatures in African Languages** B. W. Andrzejewski, S. Pilaszewicz, W.

Tyloch, 1985-11-21 Although African literatures in English and French are widely known outside Africa those in the African languages themselves have not received comparable attention In this book a number have been selected for survey by fourteen specialist writers providing the reader with an introduction to this very wide field and a body of reference material which includes extensive bibliographies and biographical information on African authors Theoretical issues such as genre divisions are discussed in the essays and the historical social and political forces at work in the creation and reception of African literature are examined Literature is treated as an art whose medium is language so that both the oral and written forms are encompassed This book will be of value not only to readers concerned with the cultures of Africa but to all those with an interest in the literary phenomena of the world in general

### Globalisation and African Languages Katrin

Bromber, Birgit Smieja, 2011-07-20 Globalisation and African Languages links African language studies to the concept of globalisation which increasingly undergoes critical review Hence African linguists of various provenience can make valuable contributions to this debate In cultural matters which by definition include language there is often a sense that globalisation leads to a major trend of homogenisation which results in a reduction of diversity on the one hand and on the other in new themes being incorporated into global cultural patterns However often conflicting and overlapping particularistic interests exist which have a constructive as well as destructive potential This aspect leads directly to the first of three sections of this volume LANGUAGE USE AND ATTITUDES which addresses some of the burning issues in sociolinguistic research Since this research area is tightly linked to the educational domain these important issues are addressed in articles that comprise the second section of this volume LANGUAGE POLICY AND EDUCATION The third section of the volume presents articles dealing with LANGUAGE DESCRIPTION AND CLASSIFICATION demonstrating which parts of different language systems are affected through contact under historical and modern conditions The contributions of all the well known scholars in this

volume show that globalisation is a two way street and to ensure that all sides benefit in a reciprocal manner means the impacts have to be monitored globally regionally nationally and locally By disseminating and emphasising these linguistic findings as part of the global cultural heritage African language studies may offer urgently needed new perspectives towards a rapidly changing world

**Mapping Intersections** African Literature Association. Meeting, 1998 This book takes on the challenge What roles can and should African literature play in Africa s development From a variety of critical stances and perspectives the concepts of literature and of development are theorized to include and extend beyond inherited concepts and boundaries in the Humanities and the Social Sciences and thus to engage peoples everyday life experiences Approaches to the question of Africa s literature and its development range from African feminism or feminist practices to the economics and politics of public access to knowledge information and literature to communication networks and use of African languages in national education policies Twenty essays constitute the volume s four parts which focus on Diverse conceptualizations of African literature and development Critical studies of specific writers works linking their artistic development with issues and events of social or political development A philosophical consideration of the development s relationship to literature Models of activist pedagogy in African literature The structure of this volume is encompassed by two roundtable transcriptions with writers and critics for whom African literature and Africa s development is part of a larger struggle to create new space in which to thrive and envision new life inside and outside the academy

*Paradise Discourse, Imperialism, and Globalization* Sharae Deckard, 2009-12-04 In this volume Deckard analyzes authors such as Malcolm Lowry Leonard Woolf Juan Rulfo Wilson Harris Abdulrazak Gurnah and Romesh Gunsekera to make a materialist study of the relation between paradise myths and the ideologies and economies of colonialism and neo imperialism in literature from Mexico Zanzibar and Sri Lanka

**Language in Contemporary African Cultures and Societies** Leonard Muaka, Esther Mukewa Lisanza, 2018-12-03 Language in Contemporary African Cultures and Societies examines language in contemporary Africa by positioning language at the center of interrelationships between individuals society and culture Because of how language permeates every aspect of human existence within each society this book has assembled contributions by researchers and scholars who focus on different topics within African languages and cultures By presenting African languages as resources and subject and subject of the study this book discusses Africa s multilingualism language policy preservation and their uses in development security liberation and identity formation in the diaspora Based on empirical research and analysis of texts this book takes a closer look at the continent and the diaspora by situating African languages cultures and literatures at the center and shows how African languages are used in the liberation transfer of knowledge and promotion of literacy among Africans globally It is a book that seeks to bridge the gap between the continent and the diaspora All contributors are experienced scholars of language literature education and linguistics The chapters provide a major means for examining the interplay of language literature and education

Oral Literary Performance in Africa Nduka

Otiono, Chiji Akoma, 2021-05-31 This book delivers an admirably comprehensive and rigorous analysis of African oral literatures and performance. Gathering insights from distinguished scholars in the field, the book provides a range of contemporary interdisciplinary perspectives in the study of oral literature and its transformations in everyday life, fiction, poetry, popular culture, and postcolonial politics. Topics discussed include folklore and folklife, oral performance and masculinities, intermediated orality, modern transformations, and globalisation, orality and mass media, spoken word and imaginative writing. The book also addresses research methodologies and the thematic and theoretical trajectories of scholars of African oral literatures, looking back to the trailblazing legacies of Ruth Finnegan, Harold Scheub, and Isidore Okpewho. Ambitious in scope and incisive in its analysis, this book will be of interest to students and scholars of African literatures and oral performance, as well as to general readers interested in the dynamics of cultural production. Dictionary of African Biography Emmanuel Kwaku Akyeampong, Professor Henry Louis Gates, Jr., 2012-02-02 From the Pharaohs to Fanon, Dictionary of African Biography provides a comprehensive overview of the lives of the men and women who shaped Africa's history. Unprecedented in scale, DAB covers the whole continent from Tunisia to South Africa, from Sierra Leone to Somalia. It also encompasses the full scope of history from Queen Hatsheput of Egypt (1490-1468 BC) and Hannibal the military commander and strategist of Carthage (243-183 BC) to Kwame Nkrumah of Ghana (1909-1972), Miriam Makeba, and Nelson Mandela of South Africa (1918-). Quarterly Index to Periodical Literature, Eastern and Southern Africa, 1992

**Translation Classics in Context** Paul F. Bandia, James Hadley, Siobhán McElduff, 2024-07-31 *Translation Classics in Context* carefully considers the relationship between translation and the classics. It presents readers with revelatory and insightful case studies that investigate translations produced as part of nexuses of colonial resistance and liberation across Africa and in Ireland, translations of novels and folklore collections that influence not just other fictions but stage productions, and entire historical disciplines, struggles over Ukrainian and Russian literature, and how it is shaped and transferred, and the role of the academy and the curriculum in creating notions of classic translations. Along the way, it covers oral poetry, saints, scholars, Walter Scott, and Jules Verne, not to mention Leo Tolstoy and the Corpse Bride making her way from folklore to *Frankenstein* and into the world of Disney animation. Contributors are all leading scholars, and the book is accessible and engaging, assuming no specialist knowledge. Chapter 6 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-NonCommercial-NoDerivatives (CC BY-NC-ND) 4.0 license. *Culture and Customs of Tanzania* Kefa M.
