Rosaria Champagne Butterfield Book:

The Gospel Comes with a House Key Rosaria Butterfield, 2018-04-16 What did God use to draw a radical committed unbeliever to himself Did God take her to an evangelistic rally Or since she had her doctorate in literature did he use something in print No God used an invitation to dinner in a modest home from a humble couple who lived out the gospel daily simply and authentically With this story of her conversion as a backdrop Rosaria Butterfield invites us into her home to show us how God can use this same radical ordinary hospitality to bring the gospel to our lost friends and neighbors Such hospitality sees our homes as not our own but as God's tools for the furtherance of his kingdom as we welcome those who look think believe and act differently from us into our everyday sometimes messy lives helping them see what true Christian faith really looks like

The Secret Thoughts of an Unlikely Convert Rosaria Champagne Butterfield, 2014 Rosaria by the standards of many was living a very good life She had a tenured position at a large university in a field for which she cared deeply She owned two homes with her partner in which they provided hospitality to students and activists that were looking to make a difference in the world In the community Rosaria was involved in volunteer work At the university she was a respected advisor of students and her department's curriculum And then in her late 30s Rosaria encountered something that turned her world upside down the idea that Christianity a religion that she had regarded as problematic and sometimes downright damaging might be right about who God was That idea seemed to fly in the face of the people and causes that she most loved What follows is a story of what she describes as a train wreck at the hand of the supernatural These are her secret thoughts about those events written as only a reflective English professor could Back cover

Unhindered Rosaria Champagne Butterfield, 2015-06-01 Terms like same sex marriage sexual orientation gender identity and gay Christian are part of daily discourse yet enormous controversy surrounds them They are the stuff of news headlines and vitriolic social media posts But they also reflect stirrings of the heart in real people with real questions and concerns Rosaria Champagne Butterfield once a leftist professor in a committed lesbian relationship and now a confessional Christian but always the thoughtful and compassionate professor has written a followup to *The Secret Thoughts of an Unlikely Convert* This book answers many of the questions people pose when she speaks at universities and churches questions not only about her unlikely conversion to Christ but about personal struggles that the questioners only dare to ask someone else who has traveled a long and painful journey Dr Butterfield not only goes to great lengths to clarify some of today's key controversies she also traces their history and defines the terms that have become second nature today even going back to God's original design for marriage and sexuality as found in the Bible She cuts to the heart of the problems and points the way to the solution which includes a challenge to the church to be all that God intended it to be and for each person to find the true freedom that is found in Christ

The Overcomers Matt Chandler, 2024-05-07 Are you ready to live with intention and adjust your mindset to be fully equipped to handle anything life throws at you Join Pastor Matt Chandler as he leads you through the book of Revelation chapter by chapter and encourages Christians to build mental fortitude knowing that God called you for such a time as this Using historical examples The Overcomers will put steel in the spines of believers and remind them of the fierce conquering commanding authority of God over all the earth You were made for this exact moment in human history Things may look gloomy and you may feel discouraged but because of the promise and hope found in Scripture you can be brave confident and victorious today The apostle John wrote his letter to a certain group of

people in a particular place at a specific time Although it was written to them it was also written for us The Overcomers takes a chapter by chapter view of Revelation rather than a line by line deep dive helping readers practically understand what God wants to say to us today through this extraordinary book written thousands of years ago He also talks about how we should view current events knowing that the writers of the New Testament understood themselves to be living in the end times or last days Believers will be reminded that they are uniquely wired and uniquely placed in this moment in history as part of God's big plan to push back darkness and to establish light Christ has overcome and in Him we too are the overcomers In this book believers will find courage and confidence from fellow believers who have gone before us Feel empowered as God reminds them of His promises fulfilled and yet to come Understand the strategies tactics and deceptions Satan uses to try to keep us paralyzed with anxiety and fear Build up their mental strength by intentionally living their life for God and mindfully pursuing the light of the world Study the book of Revelation and how God uses it to encourage His people through dark times and hardships In The Overcomers Matt Chandler reminds readers that they don't have to be anxious or afraid of anything in the present or in the future because both have already been won We are not victims but overcomers and we are a key part of what God is working out in our day God is at work in the mess just as He has always been and He continues to accomplish His purpose of seeking and saving the lost

Fractured Faith Lina AbuJamra, 2021-09-07 After your faith has fractured let what takes its place be the real thing at last Somewhere along the way the Christianity you knew began to crumble You began to suspect your faith was misplaced Disillusionment set in Churches hurt you Their people failed you Christian institutions were exposed as fake And in

it all God was silent Is He gone Or is God really there waiting for you to find Him instead of the counterfeits If you re walking this difficult spiritual path Lina AbuJamra understands you After experiencing the near deconstruction of her own faith Lina had to rebuild something more solid when the faith she once knew let her down With her diagnostic style that comes from her training as an ER doc Lina helps you grapple with questions like Where is God in my pain Is this how Christians are supposed to act Why did my story end up this way Is this the normal Christian life Why is it so hard for Christians to love Let Fractured Faith help you find your way back to God You just might discover that the real God has been waiting for you all along
