The Alpha Wolf Takes His Mate - Reluctant Virgin Rough Werewolf Gangbang Francis Ashe, Curvy cute and sometimes confident Jenna needed some time to think before her wedding so she sought the calm serenity of the woods she visited as a girl At first everything is normal but soon the shadows around her come alive As her mind swims with horror stories she heard as a child a howl breaks the night and she runs deeper and deeper into the forest Soon she s surrounded by wolves but to her surprise right alongside her terrible fear lays an even deeper burning forbidden lust The pack s alpha claims Jenna but before he accepts her as his mate she must pass a test a raw primal encounter with his subordinates that s sure to leave her sore and strained and gasping for more Warning this 8000 word erotic romance features a wild ravenous werewolf m nage a virgin s first taste primal desires and a mate who cannot wait to be claimed Excerpt A groan escaped the alpha s mouth and he crept forward lowered his head and slid his tongue along my neck Enough he growled My desire for you burns Soon you will take my my seed But first my sons must induct you into the he turned his head coughing wildly before he turned back To the pack You will become one of us your soul must be a wolf before you can hold my he stopped just short of telling me exactly what he was going to do but I had some kind of idea A test I asked as my fingers dropped away from him when he moved My question made the alpha laugh a horrible strained laugh If you can t handle them he said cocking his head Then why do you think you could handle me I sucked a breath deep into my lungs inhaling his scent one last time before he was gone Now he growled Prepare my mate And don t try anything Do you understand Althar I turned my head to see which one he was talking to but to my surprise something absolutely unbelievable even after all that took place

The copper colored wolf lay on his side panting He acknowledged what his father said but then he wrenched from around thrashing so hard I thought he d break his back Moments later he stood on his hind legs as they filled with muscle and the fur seemed to recede into his skin His body twisted contorted and before my eyes he turned into something very similar to a man a human man but he was just slightly different And way way bigger Every part of him was huge The muscles of his legs his hard biceps and his powerful chest were all more impressive and intimidating than any person I d ever seen And then I looked down

Barebacked by Wolves 2 (Werewolf Breeding, Romance and Sex Erotica) Gabrielle R. Demonico, After being ravished by Declan like never before Lilly flees to the relative safety of her apartment Her solitude doesn t last long though A surprise visit from him brings shocking news that will rock her world Declan s animal presence is overwhelming to her The memory of their carnal passion is still fresh in her mind and elsewhere in her body With her head still spinning from their last encounter Lilly soon discovers that Declan has other plans for her And to her shock they not only involve him but the rest of his pack as well In a flash Lilly learns that her life will be changed forever and it all begins tonight WARNING This 5 800 word story contains graphic scenes of oral sex and anal sex All participants in this title are 18 years of age or older An Excerpt from the Book She turned her head back to look at him and found him staring hungrily into her eyes His pale green pools flickered with lust and Lilly s mouth watered at the sight of them She could feel her lips part in anticipation inviting and enticing him to enter He moved closer until Lilly could feel his body heat and smell the sweet freshness of his breath She thought that it was such a contrast to the rest of him which tasted so utterly masculine and sinful Her nerve endings came to life and danced with his narrowed proximity to her Her pulse quickened her entire body flushed and culminated in a surge of excitement that pooled between her thighs Declan lingered there for a few moments and licked his lips in preparation for his prize Finally he moved in and kissed her His moistness pressed against her tender mouth and she consumed him without hesitation To Lilly it felt as if it had been years since their lips had met even though it had scarcely been a day She inhaled deeply and drew as much of his potent aroma into her as she could The heat from him was intoxicating to her Overcome with lust Lilly began to tear at his shirt and grasp at his pants Declan s returned her affections with violent groping of his own The continued to kiss and strip away their garments until not a single fiber separated them from one another It was skin on skin and Lilly s was on fire
