External Arguments in Transitivity Alternations Artemis Alexiadou,Elena Anagnostopoulou,Florian Schäfer,2015 This book is an exploration of the syntax of external arguments in transitivity alternations from a cross linguistic perspective It focuses particularly on the causative anticausative alternation which the authors take to be a Voice alternation and the formation of adjectival participles The authors use data principally from English German and Greek to demonstrate that the presence of anticausative morphology does not have any truth conditional effects but that marked anticausatives involve more structure than their unmarked counterparts This morphology is therefore argued to be associated with a semantically inert Voice head that the authors call expletive Voice The authors also propose that passive formation is not identical across languages and that the distinction between target vs result state participles is crucial in understanding the contribution of Voice in adjectival passives The book provides the tools required to investigate the morphosyntactic structure of verbs and participles and to identify the properties of verbal alternations across languages It will be of interest to theoretical linguists from graduate level upwards particularly those specializing in morphosyntax and typology **An Informal History of the Hugos** Jo Walton,2018-08-07 Engaged passionate and consistently entertaining An Informal History of the Hugos is a book about the renowned science fiction award for the many who enjoyed Jo Walton s previous collection of writing from Tor com the Locus Award winning What Makes This Book So Great The Hugo Awards named after pioneer science fiction publisher Hugo Gernsback and voted on by members of the World Science Fiction Society have been presented since 1953 They are widely considered the most prestigious awards in science fiction Between 2010 and 2013 Jo Walton wrote a series of posts for Tor com surveying the Hugo finalists and winners from the award s inception up to the year 2000 Her contention was that each year s full set of finalists generally tells a meaningful story about the state of science fiction at that time Walton s cheerfully opinionated and vastly well informed posts provoked valuable conversation among the field s historians Now these posts lightly revised have been gathered into this book along with a small selection of the comments posted by SF luminaries

such as Rich Horton Gardner Dozois and David G Hartwell A remarkable guided tour through the field a kind of nonfiction companion to Among Others It s very good It s great New York Times bestselling author Cory Doctorow Boing Boing on What Makes This Book So Great **The Year's Best Science Fiction: Thirtieth Annual Collection** Gardner Dozois,2013-07-23

In the new millennium what secrets lay beyond the far reaches of the universe What mysteries belie the truths we once held to be self evident The world of science fiction has long been a porthole into the realities of tomorrow blurring the line between life and art Now in The Year s Best Science Fiction Thirtieth Annual Collection the very best SF authors explore ideas of a new world through their short stories This venerable collection brings together award winning authors and masters of the field such as Robert Reed Alastair Reynolds Damien Broderick Elizabeth Bear Paul McAuley and John Barnes And with an extensive recommended reading guide and a summation of the year in science fiction this annual compilation has become the definitive must read anthology for all science fiction fans and readers interested in breaking into the genre The multiple Locus Award winning annual compilation of the year s best science fiction stories *Mad Ship* Robin Hobb,2003-12-30 The second book in a seafaring fantasy trilogy that George R R Martin has described as even better than the Farseer Trilogy I didn t think that was possible As the ancient tradition of Bingtown s Old Traders slowly erodes under the cold new order of a corrupt ruler the Vestrits anxiously await the return of their liveship a rare magic ship carved from sentient wizardwood which bonds the ships mystically with those who sail them And Althea Vestrit waits even more avidly living only to reclaim the ship as her lost inheritance and captain her on the high seas But the Vivacia has been seized by the ruthless pirate captain Kennit who holds Althea s nephew and his father hostage Althea and her onetime sea mate Brashen resolve to liberate the liveship but their plan may prove more dangerous than leaving the Vivacia in Kennit s ambitious grasp Don t miss the magic of the Liveship Traders Trilogy SHIP OF MAGIC MAD SHIP SHIP OF DESTINY **A COMPENDIUM**

OF CLASSIC AND POSTMODERN NOVEL SUMMARIES Vivian Siahaan,2019-08-03 This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years Obviously the summaries have been documented on my blog since 2016 and seemingly in my opinion it is better bundled in a book form since the statistic views show that the classic fictions are those among most read so I rose to comply with that demand The purpose for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students Numerous genres are presented because I am quite concious those will bequeath you an imaginative horizon As a work of art many of them transcend their expiatory aspects And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers Finally happy reading and I hope you will find this book useful

Ship of Magic Robin Hobb,2003-12-30 The first book in a seafaring fantasy trilogy that George R R Martin has described as even better than the Farseer Trilogy I didn t think that was possible Bingtown is a hub of exotic trade and home to a merchant nobility famed for its liveships rare vessels carved from wizardwood which ripens magically into sentient

awareness Now the fortunes of one of Bingtown's oldest families rest on the newly awakened liveship Vivacia For Althea Vestrit the ship is her rightful legacy For Althea's young nephew wrenched from his religious studies and forced to serve aboard the Vivacia the ship is a life sentence But the fate of the ship and the Vestrits may ultimately lie in the hands of an outsider the ruthless buccaneer captain Kennit who plans to seize power over the Pirate Isles by capturing a liveship and bending it to his will Don't miss the magic of the Liveship Traders Trilogy SHIP OF MAGIC MAD SHIP SHIP OF DESTINY
