Recipe That Possums Will Eat Lovingly:

Georgia's Historical Recipes Valerie J. Frey, 2025-05-01 *Georgia's Historical Recipes* is an exploration of our state's oldest recipes from the antebellum period through World War II as painstakingly researched by Georgia archivist Valerie J. Frey. This volume begins with a discussion of old recipes as primary sources and what they can tell us about the history and culture of their era and how to bring them to life in modern kitchens. Frey then moves into fifty sections that can be read alone yet allow readers to build an understanding of how foodways evolved over time. Some sections highlight a single recipe illustrating how changes in technology, agriculture, transportation, communication, and social patterns led to changes in Georgia kitchens. Most of the recipes are previously unpublished, waiting in archives to be rediscovered. Other sections explore our oldest cookbooks, offering biographical and cultural background information that makes them more meaningful. For the first time, Georgians have a list of the state's early cookbooks and its cooking experts. Readers will learn where to find Georgia's oldest recipes and discover many examples to whet their appetites literally and figuratively for a taste of Georgia's past. *The Unitarian Register*, 1928 **Spy**, 1991-11 Smart Funny Fearless It's pretty safe to say that *Spy* was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written, and perfectly designed and feared by all. There's no magazine I know of that's so continually referenced, held up as a benchmark, and whose demise is so lamented. Dave Eggers: It's a piece of garbage. Donald Trump **Christian Register and Boston Observer**, 1928 **Honey Bea'S... Gullah Stew Fuh De Spirit** Lornabelle Gethers, 2014-06-16 This book is based on collections passed through generations from my mother Bea, my grandmother Honey, and my great-great-grandmother Maah. It shares Maah's journey from the Upcountry of Abbeville, South Carolina, to the Lowcountry of Charleston and the sayings and food that fed their lives. My family loved to cook and share their meals with others, and this book incorporates Honey Bea's family's recipes for simple meals from days gone by and their sayings and stories for wisdom along with the Gullah Geechie heritage. At the end, I want to encourage you to research, preserve, write, and publish your own family's story. Good Housekeeping ..., 1886 **Good Housekeeping Magazine**, 1886 *Harper's Bazaar*, 1872 Farmers' Review, 1900 **Selection of Recent Books Published in Great Britain** 1940-Apr. 1941, 1976 British Book News, 1976 **A Possum in My Pocket** Elizabeth T. Holtam, 2013-01 Web excerpt 1 Later on we had to take Goober Pea to the vet for a check-up. The possum came along too. Goober Pea rode in the pet carrier, and the possum rode in my shirt pocket. I was wearing a baggy flannel shirt, and the possum was so little it fit right in the bottom of the pocket and took a nap. After Dr. Bob had given Goober Pea his check-up, I pulled the possum out of my pocket. It scampered across the examination table like it wanted to get away, even though possums must not like to go to the doctor. Dr. Bob caught it and gently pinched the skin on its back. The skin sort of stayed stuck the way he'd pinched it instead of springing back into place. Dr. Bob said that showed it was dehydrated, which means it hadn't had enough to drink in the last few days.

The doctor gave us some puppy formula to dilute and a syringe for feeding it liquids Well guess what the possum didn't like puppy formula Come to think of it it didn't like oatmeal either Just like me After the visit with Dr Bob we went to the grocery store I don't think animals are supposed to go in the store with you but nobody said anything even if I had a funny bulge in my shirt pocket and a tail curling out of it Probably most people at supermarkets don't expect customers to be taking their baby possums grocery shopping

Web excerpt 2 We started sprinkling Elmo's food around in the leaves so that he has to hunt for it When he eats he makes loud smacking noises and he doesn't chew with his mouth closed like grownups say you should I think he really enjoys his meals when he eats he looks like he's smiling He especially likes grapes He nibbles one until it is gone then spits out the skin He is still so tiny that one little grape looks huge in his hands Picture me gnawing on a football Even though possums don't have very good table manners you should see Elmo give himself a bath He licks his fingers lots of times making smacky noises then he scratches himself with his wet fingers He does that over and over again until he thinks he is clean Sometimes he uses his hands to wash himself and sometimes he uses his feet Possums feet really look like hands because they have an opposable thumb like we have on our hands and like monkeys have on their hands and feet I read about this in one of the library books Having an opposable thumb on each hand makes it easier to hold on to things and helps keep us all from falling out of trees Sometimes I get Elmo out of the cage to hold him or let him walk around He doesn't like to be in my shirt pocket any more but he likes to ride around on my shoulder He probably remembers about riding on his mommy's back He holds on with sharp little claws Sometimes he snuffles around in my hair or breathes in my ear It tickles

Web excerpt 3 I started to think we should keep Elmo so that she wouldn't ever meet any predators that would like to have her for dinner or humans that would make her into a coat or even so she wouldn't ever have to cross a road But then I started thinking that she might like to meet another possum and have babies and that she'd probably like to wander freely rather than stay in a cage all her life We read that possums can have lots of babies in one litter like cats and dogs do I started to think that if Elmo had a family she could help make up for all the possums that don't make it across the road When we first got Elmo I could hold her in one hand but she has grown a lot she's almost as big as our cat Oreo And she looks a little different than when we got her she has long white-ish fur over the soft gray baby fur Now she can put a whole grape in her mouth She chews it with loud smacking noises while the juice runs down her chin I certainly couldn't get away with manners like that Besides grapes Elmo likes cheese catfood and eggs Did I tell you that possums will eat anything That includes slugs worms mice and all so
