Authentic argentine cuisine María Lancio, Is there such a thing as an authentic Argentine cuisine or is it more so just an Argentinian way of cooking These are frequently asked questions which reveal a curious inferiority complex about Argentinian cooking After all there is no doubt that every country has it s own unique culture which is usually somewhat integrated into it s cuisine We are not talking about food as an art

form an art form insinuates that there are certain rules which this type of cooking certainly does not follow we are talking about food as nothing more than the human activity that allows us to survive **Beauty by God Shelly**
