Recipes Cookbook Karen L. Armstrong,2010-01-04 Includes recipes for organic dog food and other natural treats for your dog *Organic Recipes for Dogs* Dr Rita Brooks,2022-10-05 With the increasing number of pet food recalls many dog lovers are switching from store bought food to home cooked meals for their canines If you're new to this it might seem overwhelming You know what to cook for yourself and your family but might be unsure about what to cook for your dog As dog owners we are often advised not to share our meals with our dogs So what do we cook for our them Many human ingredients are actually fine The difference is that food we prepare for ourselves often contains elements that aren't friendly to our dogs or are too rich or fatty for their systems Using healthy ingredients to prepare food meant for their systems is just fine It's a fact feeding your pup a diet of 100% human grade dog food is easy cost effective and way better for them than a traditional doggie diet of processed kibble Homemade dog food can benefit your canine companion in several ways especially if you have a pet who suffers from allergies skin problems or gastrointestinal sensitivity Highly processed foods also lose nutritional value whereas making dog food from scratch maintains more vital nutrients during the cooking process With fresh food you know exactly what your dog is getting versus reading the label and being confused by all the additives and preservatives Sample Recipe Turkey Rice And Veggie Mix Ingredients 6 cups water 1 pound ground turkey 2 cups uncooked brown rice 1 teaspoon dried rosemary 1 2 16 ounces package of frozen broccoli carrots and cauliflower Want to discover more Grab this book now *30 + Easy Healthy Homemade Dog Food and Treats* Leslie McBride,2021-05-12 I can't really

remember a time when there wasn't a dog in my life in some way. Before I had my own dogs or puppies, I had plenty of friends and family members who did. Commercial dog food has fillers, junk byproducts, and unsafe food. I was a young adult when I started noticing the many recalls on dog food. I felt as though too many dogs and animals in general were suffering and dying because of the food we as owners fed them on a regular basis. Honestly, I've been an animal lover since I can remember. I was one of those kids in the 80s and 90s asking for the Wildlife Treasure Box. Animals are animals, and we have to understand them and their ways to care for them properly. At least in my opinion anyway. Feed your dog the best way you know how with the food you eat. Long story short, all the recalls and issues led me to want to feed all of my animals the diet they deserve. One that keeps them healthy because after all, it was the humans that domesticated them, and so we should also be the ones who care for them in the closest way. There should be an air of freedom and food that resonates with their cravings and nutritional needs. Homemade dog food is healthier. Making homemade dog food can take some of your time, and it does cost money, but in the end, I feel as though it's completely worth it. Knowing what your dog is truly eating on a regular basis can help you if anything were to ever happen. When a dog gets sick and is only eating kibble or store-bought food, there's no real way to know what is truly in it that might be causing a problem. Save money with homemade dog food. My book will teach you all about how to cook or create food that your dog will thrive on at home. I will show you everything I know about feeding a puppy or dog with food that you would eat. You will learn about these topics in this list, but feel free to check out the preview's Table of Contents before you hit Buy Now to make sure you know the value you're getting in my book.
